[| About us |](#)

Ningbo Hydraulic Sealing Co.,Ltd

Established in 2016, NHS is a professional sourcing company, mainly offer all kinds of hydraulic seals, widely used in machinery, electronics, automotive, medical, petroleum, chemical industry, instrument, aviation, aerospace and Marine engineering etc. NHS is first own-brand to the global market.

We are willing to be your one-stop provider for all hydraulic sealing products

Specially we provide a wide range of O-Rings including

- [---FEP Encapsulated O-Rings](#)
- [---PTFE/FFKM O-Rings](#)
- [---O-Ring Cord](#)
- [---O-Ring Box](#)
- [---Stonish O-Ring](#)
- [---Standard O-Ring](#)

Other hydraulic sealing product we offer include

- [---Oil Seals](#)
- [---Back-up Ring](#)
- [---Bonded Seals](#)
- [---Gaskets & Washers](#)
- [---Gland Packing](#)
- [---Hydraulic Seal\(U-Cup Seals\)](#)
- [---X-Rings](#)
- [---V-Rings](#)
- [---CIRCLIPS- RETAINING RINGS](#)
- [---GAMMA SEALS](#)
- [---MECHANICAL SEALS](#)

NHS SEALING is a new and young company, we supplier quality products to repair shops, OEMS, distributors, trading companies, wholesalers, agents or re-sellers wordwild. Let our service team help you to find the sealing solution you're looking for.

Today With NHS, Seal The World Tomorrow!
