

## ABOUT US AND OUR SERVICES

Shandong angchao technology Co., Ltd, was founded in January 2017, our company is committed to providing high quality and reliable chemicals and additives for water treatment, petroleum exploitation, textile printing and dyeing, paper making/printing, daily chemical industry, etc.

We have been focusing on providing customers with stable and expectable services, based on environmental protection and high-efficiency, and continuous efforts to innovate.

At the same time, we operate the platform of chemical resources network, hoping to become a bridge between domestic manufacturers and foreign buyers, through which we can provide convenient and first-hand business informations.

In 2019, we will continue to strive to meet the customer's more accurate requirements.
