

SHIPSA GROUP

Clearing & Forwarding Agent(CHA)
International Freight Forwarding

COMPANY PROFILE

ABOUT US

SHIPSA GROUP is highly experienced and professional skilled team who have more than 30 years of corporate expertise from different MNCs like DHL and nationally reputed logistics firm, Shipsa Group has stepped into the logistics market with their experience, knowledge, good management practice and operational excellence.

HISTORY

- SHIPSA GROUP was established in 1987 as a family business, primarily to handle a number of existing customers & to provide a good reliable service to them supported by nearly 30 years of freight forwarding experience.

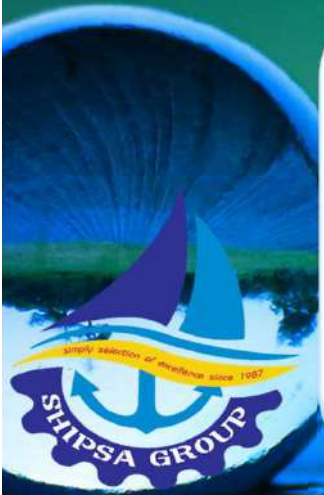

Since our inauguration, our client base has increased considerably. This has been mainly due to our ability to react to market conditions & being able to offer our customers the best options available, which provides value & reliability to their supply chain.

- Being able to offer worldwide shipping by all modes of transport with the support of our dear friends & overseas partners, we can provide the complete Door-to-Door package suiting your individual order requirements

OUR VISION STATEMENT

VISION

- ❑ Our vision is to be a key CHA partner in integrated logistics in Bangladesh, offering a higher quality of service.
- ❑ Our vision is to be an integrated logistics services provider, with world class, technologically-advanced systems and to operated with speed and optimal efficiency in delivering a seamless supply chain flow in a borderless world.

OUR MISSION STATEMENT

MISSION

- We are a market-focused, profit centered organization that develops and delivers innovative solutions to our customers, consistently outperforms our peers, produces predictable earnings for our shareholders and provides a dynamic and challenging environment for our employees.
- Our goal is to be the leader in every market we serve, to the benefit of our customers and our shareholders.
- To constantly improve what is essential to Customer.
