## R V INTERNATIONALS

'Making Your Worldwide Trading Easy'

*We are everything you need for a kitchenware. . . .*

## Company Profile:

In 2015 with our start up after completing of his graduation in engineering Mr. Ritesh Varsani start the manufacturing of kitchenware products under 'Mirambica Enterprise'. After some time he decide for the international trading and now, Established new company with name of R V Internationals.

Today after the journey of these many years we have become one of the leading Exporters of India in Kitchenware industry with more than 50+ products. Today we provide the best quality products by keeping in mind 100% customer satisfaction.

We are proud to have the best team in the company working at RVI. Across all levels of our organization. This team is highly talented and motivated to serve our long list of stakeholders that has grown in the 3+ years of our operations. We practice and imbibe the highest level of ethical standards in all our work.

We are sure that you will find the required kitchenware from our existing list of products. However feel free to contact us if you do have a requirement for custom made products. We can make products according to your specifications and requirements.
