

DEEP[®]
STAINLESS STEEL

OUR JOURNEY...

WHO WE ARE...

Deep steel established in 1998, and in the short span of 20 years , reached many milestones in stainless steel utensils industry. We are leading manufactures in some of the product segments which dominate the needs of some of the states in indian continent.

Mr.Kirit R dedhia (Michael bhai) started with 3 people in 1998 with brand name “DEEP” we went with major expansion in 2008 with 8 family members and moved to huge space in Nallasopara, Mumbai. Our product range was limited enough to supply in full.

2008 brought us a new milestone when we launched our premium utensil brand “ANGEL” to cater the needs of growing middle class who wish to spend for quality products across categories. Our specialty is dabbas , puri dabbas, masala dabba, khumcha, plate, glass, vati, and tiffins. We have ample variety in these categories, which makes us unique in the entire industry.

Our expansion includes, single piece product packing range, dinner sets in attractive box packing’s, and of course specialty products for local as well as exports markets. Our brands “DEEP” and “ANGEL” has good market acceptance. We do have portfolio of labels for specialty products and area centric processes.
