WIDE RANGE OF LOW HEAT INPUT WELDING ALLOYS FOR MAINTENANCE WELDING »

RM Series
Electrodes for Welding Mild-Steel and Sheet Material
Electrodes for Medium and High Tensile Steel
Electrodes for Stainless Steel & Heat Resisting Steel, Dissimilar Metals
Electrodes for Nickel & Nickel Alloys, Dissimilar Metals
Electrodes for Surfacing, Overlay and Hard Facing Applications
Electrodes for Welding Cast Iron
Electrodes for Cutting and Gouging

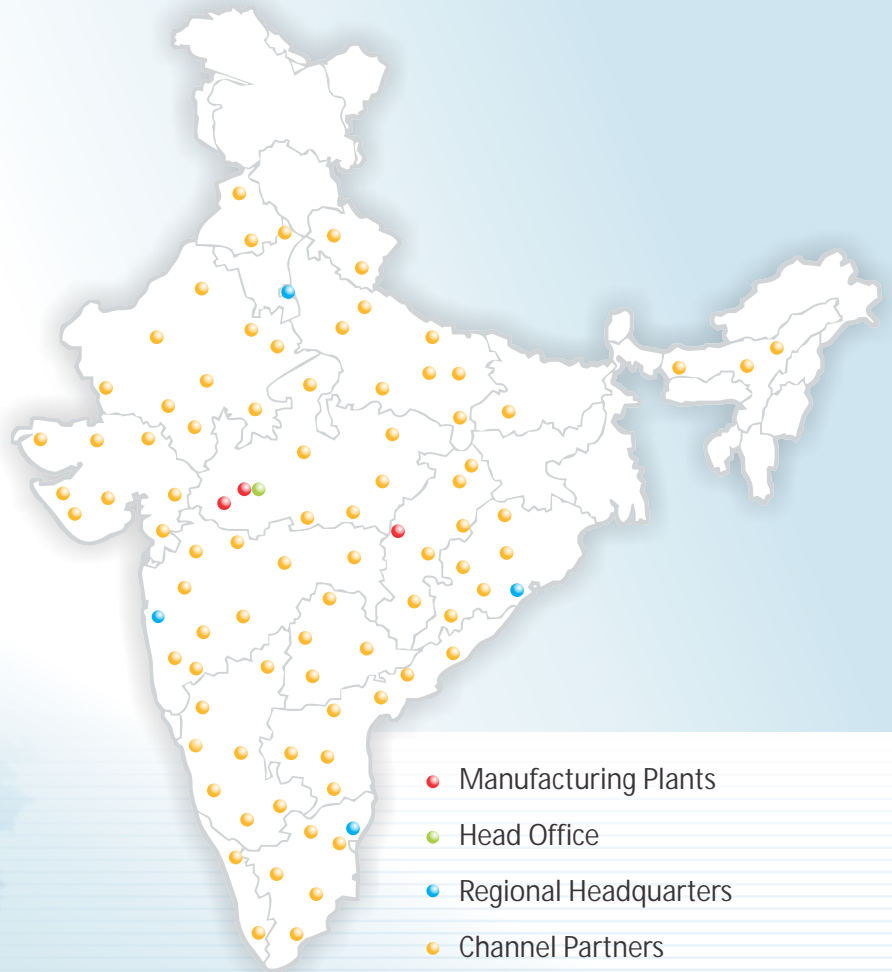

NETWORKED FOR EFFICIENT SUPPORT

D & H India Ltd. has developed its nationwide presence to support every customer promptly.

Our qualified and trained field force is located strategically to render technical support before, during and after the sales.

Our in-depth dealer network penetrates all important and major industrial belts to serve every customer with continuously updated stocks.

We also have regional headquarters at Mumbai, Delhi, Chennai and Kolkata with Head Office at Indore. Our state-of-the-art manufacturing plants are also located at Indore.
