WHO WE ARE?

Radhashok Pharmachem Pvt. Ltd. is a leading trading house, established in the year 2015. The organization has been associated in the field of supply; importing food chemicals, colors, flavors, specialty chemicals, and pharmaceuticals.

Being an Agra, Uttar Pradesh based company with voluminous Imports from many places around the world, (Places being Today's most un - conventional market for sourcing of Pharmaceutical Raw Materials), backed with sound financial position has made this company place itself among the leading Marketers of Pharmaceuticals Raw Materials in India.

WHAT WE DO?

We are a veterinary API trading entity having ventured into the veterinary industry from long enough, the organization has emerged as one of the market leaders in the field of import of bulk drugs, veterinary drugs and active pharmaceutical ingredients.

We are a vertically integrated group spanning the entire veterinary and animal healthcare value chain from discovery-to-delivery, with established credentials. We specialize in 'catalyst chemistry' and trading veterinary API products with the large trade capabilities and product categories in India.

Looking ahead, Radhashok Pharmachem is determined to achieve its goal of becoming a leading force in the niche animal health care solutions. The objective on which the group was founded have always inspired sustainable growth through innovation in the last years, and shall continue to do so in times to come.

OUR MISSION

Our Mission is to build successful associations with Enterprise customers & Co-Create Success through solid partnership with world-class suppliers of Pharma products.

OUR VISION

We aspire to be a professional organization catering to global markets; our team believes in nurturing relationships and creating value for all stake-holders.

We aim to be the preferred partner for our valued customers and business associates; our ultimate goal is to achieve "customer delight."

OUR VALUES

- Ethical Business Practice
- Excellence in Execution
- Customer Focus
- Integrity
- Righteous
- Spirit of Camaraderie
- Fostering Innovation

OBJECTIVE

At **Radhashok Pharmachem**, it is our endeavor to excel in whatever field we venture into. Our objective is to provide quality products with enduring service and competitive rates – always protecting the client's interests.

Our organization is growing at a steadfast speed, widening the product range and services for domestic trade, as well as providing special services to specific client requirements. It is the trust and support of our clients that has helped us to sustain for so long and grow consistently.

Our clients are our core focus: They define quality. They expect superior service, prompt delivery and reliability. Thus, mere customer satisfaction is not our goal, customer delight is.
