## WE ALSO CONDUCT FINAL INSPECTION ON BEHALF OF THE BUYER.

Supplier Credibility	To ensure the quality, desired weight, construction and color etc. we evaluate the capacity and capability of every factory. We also check environmental control, safety laws, labor practices and adherence to labor laws. We make sure that our supplier can meet our requirements when it comes to reaching the average number of pieces produced as per buyer's requirement at a given period of time to meet schedule.
Sourcing	Upon placement of orders, we check right away and control the quality of all garment inputs such as yarn, fabric, accessories, labeling and coordinates timing of their procurement and its timely delivery. We let buyers choose and decide what kind of accessories and labels to use as far as style, color, design etc.
Sampling	We develop and provide samples as per buyers design, fabric quality, weight, shrinkage, color fastness, specifications etc. to obtain buyers approval before heading to production through our professional staff of Merchandisers and Quality Controllers who always keep a close check on sampling and production.
Quality Control/Assurance	Our Quality Controllers visit the factory with regular intervals to make sure we meet our buyer's requirements. Our quality control personnel are stationed at all manufacturing sites to ensure that all production will meet buyer's requirement. We always want to deliver satisfaction to our customers; we monitor the order from sourcing of raw materials and accessories to production and up to the final
Shipment of Goods	We also monitor and report the status of the order to the buyer with systematic follow up on each and every stage.
Packaging	Only approved goods are packed and buyer is assured of getting quality merchandise. Care is also taken to see whether all packing instructions of the buyer are respected.
Shipment/Cargo Handling	All shipping documents are reviewed and verify as to buyers instruction. All cargo is handled by reputable forwarder to obtain correct information regarding ETD and ETA of vessels because time delivery is as important for us as it is to the buyer.
