

Shree Salasar Group

Authorized Partner of Hira Ferro Alloys Limited

Shree Salasar Group started exporting of its products through exporters. Encouraged with the market conditions and the growing demand for Ferro Alloys & Steel Products by the consuming industry, both in the domestic and export market, the group went for further expansion. With the confidence gained by serving discerning domestic customers, the group has embarked into large scale exports of Ferro Alloys & Steel Products to International market. Our quality and commitment have been the key performing factors in establishing in the global market. Today, Shree Salasar Group has planned to expand the opportunities in this sector, being the exporter of Ferro Alloys & Steel Products.
