

**Dear Concern,**

This is to inform you that **CLASSICTEX Ltd.**, is the renowned manufacturer and most dependable and reliable exporter of jute diversified products with high quality and competitive price from Bangladesh and also professionally managed business house offering an excellent range of jute diversified products to our clients at home and abroad for last 05 years. From our very upgraded product line, you may choose your required items as we have almost 350 products. Also visit our web page [www.classictex.com.bd](http://www.classictex.com.bd) & check our wide product ranges.

Today's digitalized world we, human beings are destroying our planet in every steps & polluting our environment that should be stopped by ourselves. So, time has come to think about it & we all should be very careful & ignore to use such products especially plastic which are destroying our environment as well as our planet.

Therefore, from this point of view, we **CLASSIC TEX Ltd.** company have come forward with some of the jute products & trying to introduce such products to use in our daily life which can be most accepted instead of plastic products.

If you feel interested on any products to buy commercially then just let inform us. We are capable to supply as per your required quantities. If you feel interested then we both can start a new business window with trust & commitment.

Thank you and best regards,

**Md. Tariqul Islam**
