

OWL Business Pvt. Limited

Export Import and trading agent company

Articles here about some description of the company. Like the board of director's message here!

MD Iftakhar Ahmed
Managing Director

Objectives

We have started our business to help you to find your best choice and create ourselves to build-up your smart business partner. We are always ready to fill your trust as you need.

Our company is not only dependent on the export basis but also it imports seasonal raws for the comforts of our active local market and itself. We are directly connected with our farmers so that we can give you fresh products from the field to your hand. We are oath to the result to focus on defining processes so that staff can adhere to every goal.

Our farmers and company always follow the pre harvest and post harvest management techniques. So you are safe.

We export:-

Vegetable: Tomato, Carrot, Bean, Brinjal, Potato, Lady's finger, Cowpea, Cauliflower, Cabbage, Spiny gourd, Mushroom and Grains like Rice.

Sea food: Fresh Crab, Shrimp, Oyster.

We are always highly pledgeable to our every consignment from the beginning to the end with confirmed supervising management.
