NATURAL HONEY

100% Pure

Natural Honey. Honey and beekeeping have a long history in India. Honey was the first sweet food tasted by the ancient Indian inhabiting rock shelters and forests. The raw materials for the beekeeping industry are mainly pollen and nectar that come from flowering plants

WHEAT FLOUR

Indian wheat flour is mostly ground in stone mills popularly called as chakkis. The chakki atta is preferred more than the roller mill atta for the texture and taste of the Chapati/Roti (flat bread of India). Indian atta is a very very finely milled wheat flour.

FRESH ONIONS

India is the second largest onion growing country in the world. Indian onions are famous for their pungency and are available round the year. Indian onions has two crop cycles, first harvesting starts in November to January and the second harvesting from January to May.
