

About Us

General Company Description:

Dugar Polymers Ltd was born out of an idea and interest to venture into the manufacturing of plastic sheets, Rods, Compound, BOPP Tapes and Films related products. All work began to giving shape to this new born idea, and the required infrastructure was set into place with the right determination and was transformed into an Organization with a clear vision and focus to be a market leader in the plastic sheeting segment and related products.

The **CHANDANTARA-DUGAR Group**, founded by Dugar Family, is a well-established business house in India's fast growing plastic industry manufacturing products. The group is a well-known as ***Polymer Solution Providers*** in the Polymer Industry for more than a decade and caters to the need of raw materials of plastic industries in India. It has a record of being at one of the largest distributor for polyolefin product.

The company since its inception in the year 2004 has been growing from strength to strength over the years. The company has been ably guided by its Chairman Mr. Manoj Dugar & MD Mr. Rajesh Dugar throughout this period which has enabled the company to acquire a leading position amongst Plastic Sheet, Films, Compound and Rods Manufacturers in India.

Dugar Polymers Limited (DPL) has the capability to provide its customers with ideal solutions in Industrial Plastics to their growing need for Polyolefin Sheets. From a modest beginning in 2004 the company has transformed itself into an organization, catering to the entire needs of plastic stock shapes. DPL produce among the widest range of plastic stocks shapes in the country inclusive of Sheets to Plates, Planks, Solid Rods, Pipes, PVC Compounds, BOPP Tapes, Films, Welding Coils, and Components using PP, HDPE, PVC, LDPE, LLDPE and HM etc. DPL offers widest range of sizes in extruded sheets with a thickness range from 0.1 mm to 200 mm and width up to 3500 mm.

Down the line over the years, we have been successful in making strong inroads into the markets and making our presence observed strongly. We have in due course gained the confidence of our clients, in our products, our commitments to fair business transactions, faster deliveries and have strengthened our hold onto the markets.

Our strength over Y-O-Y is already justified with above sales achievement. We are growing stronger and as past we will surpass our projection sales in future also.
