# ABOUT US

Amfelix Global Pvt.Ltd is an India based Company which deals in manufacturing & exporting of various kinds of premium quality Indian Teas like black tea, green tea, white tea, oolong tea etc, Specially from the origin of Assam & Darjeeling . It's a Global sourcing company and it has a business presence all across the world.

The company has partnered with numerous premier manufacturing companies along with its own Tea production plant that guarantees you the supply of the highest quality of teas at the best proportionate value in the market.

Moreover, the Amfelix Global Pvt. Ltd has a very strong and enthusiastic team trained at global standards and are very smooth & efficient in their job that also guarantees you the timely delivery of your products. Our team members are very professional in their approach and are excelled in precise communication that helps your products reach the destination in time.

We always strive to take a very special care of all our clients and do the best to maintain a healthy relationship/ partnership with them.

## MISSION

Our mission is to set and maintain the highest standards of quality in all our ventures, to be able to compete and be amongst the best in the tea industry: and so to achieve that on an year round basis, we aim to provide you with the most unique and healthy tea experience by managing of our resources in a well organized manner, use of the best technology and innovative ideas to produce the excellent quality of tea which is amongst the finest in the market.

## VISION

To make Amfelix Global Pvt.Ltd a global phenomena by creating a quality product that is appreciated around the world keeping in mind the greater good of people as well as environment.

## COMPANY HISTORY

Established on 29<sup>th</sup> march 2019, Amfelix Global involves members who have been active in tea production field and have had a lot of experience behind them with the sole purpose of providing a quality product to our clients in India as well as International Markets.

## WHY YOU CHOOSE US?

1. We won't compromise on the quality.
2. Our tea is of the highest quality and is sourced by Tea masters with a lot of experience in this field.
3. There's a lot of variety to choose from in the market which can be a very confusing task, and that's why we promise to be with you throughout the selection process to help find the right tea to meet your requirements.
4. Our aim is to provide the freshest teas from the best gardens of India without the involvement of middle men, so that you get the product of highest quality at a reasonable price.
5. As a valued customer, we are always here to answer any queries you have.

# OUR PRODDUCTS

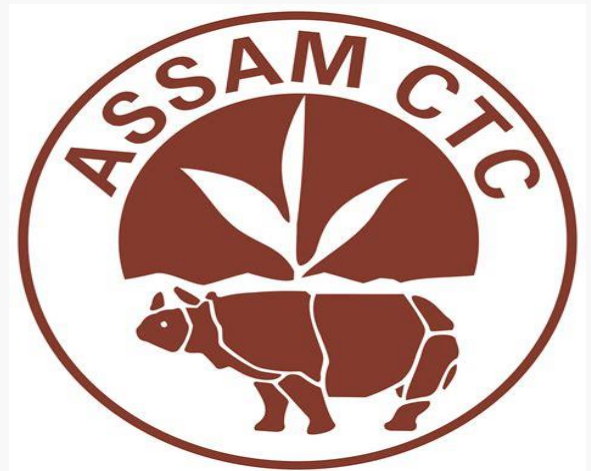

The production of tea requires great care and craftsmanship. The freshly plucked leaves are carefully and gently processed every step of the way. This is labour intensive, time consuming and, as a result, expensive, but this is the only way that all the delicacy of the aroma and the typical character of the tea plant can be passed on to the finished tea.

We provide you with different variety in bulk quantities only.

## 1.BLACK TEA

## ORTHODOX TEA

## CTC TEA

## 2. GREEN TEA

## 3. WHITE TEA

## 4. OOLONG TEA

## PACKAGING POLICY

Packaging is an important part of our business. Products need to be preserved and protected in order to reach their destination in perfect condition .Bulk packaging can be provided by us in all forms and sizes. The packing materials used for this purpose are Paper laminated woven sack as well jute bags with laminated insides. Different sizes of bag included are bags of 10 kg,18 kg,25 kg and 35 kg. We take pride in mentioning that we are quite ready to fulfill the bulk requirements of our clients pretty quickly.
