Product Catalogue

Our Company

Marck & Care Engineers Ltd.

being the leading industrial Valve Manufacturer in India with **MNC** brand, has the competence to manufacture a wide range of industrial valves for the most critical and formidable service of the Oil, Gas, Refinery, Chemical, Marine, Power and Pipeline Industries. **MNC** products cover Gate, Globe, Check, Butterfly and Ball Valves in various sizes, class rating and materials. All Valves are manufactured to fully comply with ASTM, ANSI, API, BS & DIN Standards. Company facilities include our Administration Office, Valve Workshop, Testing & Inspection Facilities. We have all the required testing and manufacturing equipments and are capable of manufacturing valves up to size 50" and ANSI Class 2500 lbs.
