Our Premium Fruit of nature's bounty is carefully and delicately harvested to maintain its fresh, delicious taste, appeal and texture.

Worio Royal Bananas are selected by our team of horticulture experts, we source our bananas from over 2400 contract farmers located in Maharashtra & Gujarat. The farmers use the latest cultivation techniques and drip irrigation systems. The selected bananas are further graded, cleaned, vacuum packed in our state of the art pack house for exports.

Our shipments are refrigeration guidelines and the cold chain is maintained from source to our overseas customers.

Temperature : +13 to +14 ° C
