

Jiya Industry

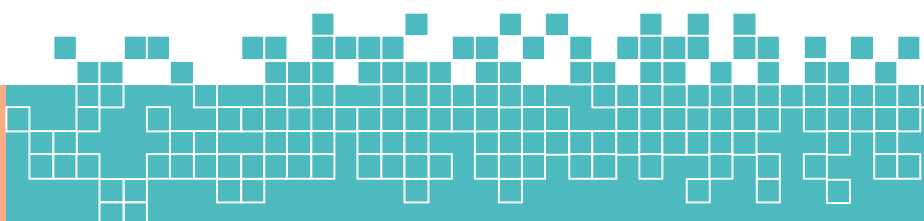

Exporter of Kitchenware Products

OUR AIM IS TO GIVE LONG TERM COMMITMENT TO THE CUSTOMERS BY SUPPLYING THE BEST QUALITY STAINLESS STEEL KITCHEN WARE PRODUCTS.

We, **Jiya Industry** from Ahmedabad, India are a renowned name in the industry for manufacturing a high-quality range of **Stainless Steel Utensils, Kitchen Ware Stainless Steel Plates, Stainless Steel Bowls, Stainless Steel Container, Stainless Steel Kitchenware and much more**. All offered products are designed using quality tested steel. These offered ranges have ultra-modern designs and add a contemporary touch to the dining and kitchen space. Available in a variety of shapes, design, and sizes, our products find wide application in homes, hotels and various catering businesses.

We boast of a progressive infrastructure that is replete with the most advanced equipment that has enabled us to offer the best products to our clients. The perfect synchronization of the management and production team facilitates the smooth operation of the production unit. Moreover, our sound marketing and finance aid us in providing unique products that pertain to industry standards. In addition to this, we export our products all over the world.

We have constructed a wide and well functional infrastructural unit that plays an important role in the growth of our company. We offer these products at reasonable rates and deliver these within the promised time-frame.

Quality assurance:

Quality is the forte of our organization. We have implemented latest & advanced technology in the production and finishing unit to design products that are in conformation with the national and international quality standards. The high quality raw material is used for the production that is procured from the best manufacturing firms. Utmost care is taken during the production to leave no stone unturned in designing the flawless range of products. Diminish any scope of faults or defects in each and every piece that is delivered from our unit.
