# Mission

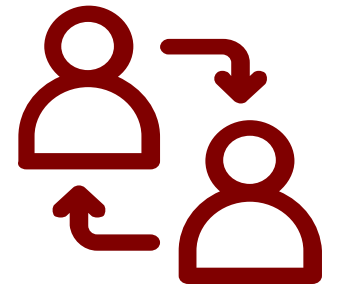

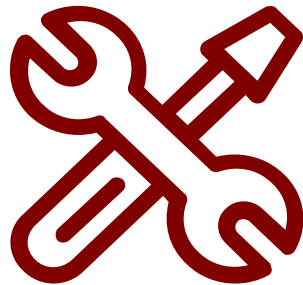

- Our purpose is to serve as a maintenance company to address our clients' needs, by offering them the best competitive prices in the market.
- We conduct our business in a manner, that the clients will always think of us for their next work. AL Khidr gives high importance to the relationships that we build through our work.
- After treating the clients right, our next focus is on our staff. If our people are not happy, we will fail to address our clients' demand. Hence, we take care of our staff as our own immediate family.
- While conducting business, AL Khidr aims to support local businesses in Oman by using suppliers and products which are made locally instead of going abroad for better prices. As we want to support the local economy and people.

Our vision is to **provide quality** maintenance services all over Oman, **build meaningful relationships** with **our clients** and treat **our staff** with love & respect, always.
