

RITE SOURCING

One stop smart sourcing solutions for
Cosmetics, essential oils, soap and toiletries
from India

WHY WORK WITH US?

ABOUT US

Rite Sourcing is situated in India and provides sourcing solutions that include vendor and product sourcing, inspection and shipping from India customers all across the world.

Our team members are highly dedicated, qualified and have started cosmetic business in the USA and India. We have sourced beauty products for our companies in the past and thus truly understand this category. Our team has international exposure, speak fluent English and have been to many Expos in Dubai, China and India.

Our office is strategically located in Chandigarh near Baddi, Noida, Dehradun and Delhi which are major manufacturing hubs for beauty products.

We deal in different category of products like skincare, perfumes, makeup, cosmetics, essential oils, soap, sanitizer, antibacterial garments etc.

We ensure honest and transparent deals. We work for you and do not accept commissions or gifts from the factories. Also we do not have any preferred suppliers. We shortlist suppliers as per your requirement.

Due to our relationships with manufactures PAN India, our team can strongly negotiate to obtain the best possible price and outcome for you. We strongly focus on the quality of products and try to source high quality products at reasonable prices

Our services include (but are not confined to): research and development as per customer's requirement, identifying and qualifying suitable vendors, order follow up to ensure timely delivery of quality approved products.

DISCOVER
