

PETROASIA

S H I P P I N G

A G E N C Y C O . L T D .

A night-time photograph of a port terminal. The scene is dominated by large, yellow gantry cranes that are illuminated from below, creating a strong contrast against the dark sky. In the foreground, a dark-colored truck is parked on a paved area. The overall atmosphere is industrial and active, with various structures and equipment visible in the background.

ABOUT US

INTRODUCTION

PETROASIA was founded in 2000, and since then we have been involved with providing variety of services such as Ship Chartering (Bulk, General cargo, Tanker), Liner services, NVOCC agency, Ship management and Operating, Project cargo, Shipping agency, port agency, Road and Rail services, Air freight services, and custom clearance all customized to meet our client's need.

Our mentality is that customer's satisfaction is not only a business for Petroasia but also a responsibility of ours, because a service job is a very personal business to deal with and we take it most serious. Employing talented and experienced personnel specializing in marine services is central to our company strategy. Our service minded mentality allows our people to excel when new opportunities and challenging situations arises
