

Paper Packaging Products & Solutions from Bagitan Packaging

Bagitan Packaging utilizes advanced machines to produce high-quality paper bags, food packagings, wax paper, and other packaging products at its modern factory in China. And we can ship the products around the world.

We pride ourselves as the go-to paper bag manufacturer and wholesale supplier, offering the best paper bags made in China ready to be shipped worldwide. We use the latest technology available and two decades of experience in the paper packaging business to ensure our customers get the products best suited for their business. From plain brown paper bags to decorative brown paper gift bags, Bagitan Packaging is a leading contender in China you can put your trust in.
