GROFA INTERNATIONAL COMPANY PROFILE

Grofa int is an Experienced manufacturing and exporting company Our speciality field is garments and gloves

We always work on affordable prices and provide quality products in good time delievery
Fine Quality Most Competitive/Workable Prices and well in time deliveries are the key of Success
Our products prices are reasonable with fantastic quality. We offer the competitive prices for the products, which are -also -acceptable- for bulk orders. We -always stand- guarantee for our products -and any article -found in consistent with the approved samples is replaced by us free of any charge, as we believe in establishing lasting

KIND ATTENTION PLEASE

We honor every customer request and can provide any product according to clients needs All of our products can also be customized according to customers requirements Please feel free to contact us with your own designs and information

We are confident that our products will meet to your entire satisfaction as well as your customers requirement

Quality Policy

Our policy is to manufacture products which comply with the specifications established and agreed with our customers at a realistic and marketable cost, and to deliver them on time. In order to implement the policy, we will follow a continuous programme of improvement, based on prevention rather than detection of faults

To continually improve our supplier relationships by periodic auditing, consultation and training. Commitment at all levels to 'Getting it right first time' is essential to successful implementation of the policy

Research & Development

Grofa int one of the few companies in the world with full wet-end development and -production ,capabilities. From preserving hides, to following precise steps in the manufacturing process we exercise the complete control that ensures our leather is the most acclaimed in the industry Our competence in design and innovation is an important element of our market leadership worldwide. -It creates significant opportunities with our customers, especially with our new R&D Centers in Lahore – Pakistan, that further qualifySaadat Sports as a supplier of premium automotive leather
