Company Profile

Our product range encompasses all metal caps and closures like Lug Caps, Twist Off Lug Cap, Drum Capseals, Printed Drum Capseals, Plain Drum Cap Seals, RO Caps, Aluminium RO Caps, Mason Jar Lids, CT Caps, Press Fit Caps, ROPP Caps, Aluminium ROPP Cap, Crown Cap, Metal Crown Cap and any other metal cap as per specific requirements.

Our products attract demand from both India and abroad. Some of the industries that bring our products into application are oil, chemical, food processing, liquor and pharmaceutical industries. The process of manufacturing of our products is carried out as per the specifications laid down by our clients so that they get maximum satisfaction from our produce.

Our products are manufactured using high grade raw materials that are bought from tried and true vendors. At every step of manufacturing and before the final delivery of products to the clients, all our products are made to go through a rigorous process of quality check and testing. All these quality controls and checks ensure that our produce is of best quality, resistant to corrosion and does not leak.

A major quality that our products offer is that they not only keep food products undamaged but also protect them from contamination by bacteria and germs. If tightly capped or sealed, they also help in preserve their aroma, flavour and freshness of the food. For all these reasons, our crowns and closures are exported to a number of other countries also.

The Range of Products that we Provide

- Half Twist Lug Caps/Vacuum seals: Available in sizes 102mm, 82mm Lug Cap, 66mm, 63mm, 58mm, 53mm & 43mm. The 30mm Lug Cap for ketchup bottles is under development; Usage in food processing/Dairy industries for Jams, Cheese spread, Gherkins, Pickles, Dukkah, Mayonnaise, Honey & other allied products.
- 53mm & 70mm Slip Cap (Press fit caps) for glass tumblers (like the Kraft Cheese tumblers. Usage in food processing/Dairy industries for Jams, Cheese spread, honey & other allied products.
- Crown Corks: Available from a fully automatic-SACME make, Italian plant, with a transparent liner/Puff liner inside which ensures excellent pressure retention. Its supposedly the best in the world. Widely used in Beverages Ind./Beer Industries, dairy, food & others
- Capseals/Drumseals : Used in 250 or 300 litres barrels, 20 ltr. Drums. Usage in the Lube, Oil, Chemical & Pharma Industries.
- ROPP Caps: Available in 22mm, 25mm, 28mm, 28mm(semi deep), 31.5mm, 38m, 46mm & 53mm; Usage in Pharma, Liquor & food processing industries.
- RO caps or RSNP Caps: Available in Sizes 25mm & 38mm & 70mm; Again for the food processing, most of the countries have replaced these caps with Lug Caps. Very few countries are using these caps. Besides, we can also undertake to manufacture any kind of metal bottle closures/caps as per customer requirement.
