ABOUT PHAROSCION GLOBAL

Pharoscion Global is a modern-era Cloud and Analytics based Mark-Tech firm which focuses on Digital Transformation of businesses and startups. With a team from IITs, IIMs and other experienced scholars, Pharoscion is your partner in areas (not limited to) like Cloud-based IT Products and Services, Digital Marketing, Branding, Data Analytics, SEO/SEM as well as in Audio ads. Since January 2018, we are following '4Cs' strategy: Curiosity, Curation, Commercial and Commence which has helped ventures achieve 10x growth. Just like you, we too are passionate about changing the world for the better.

Just like the way Pharos - "The Lighthouse of Alexandria city" was built to guide ships into port and Julius Caesar has described its importance in his Civil Wars (Part III, 111-112), likewise, in 21st century every Pharoscion has pledged to help businesses globally by delivering effective and successful state of the art solutions in various fields.

EXPERIENCES SHARED BY OUR CLIENTS

Leela Creations

“Pharoscion has increased our reach 10 times through its services. Approaching them for any issues is simple and their response is also very quick, energetic and positive. They listen to your problems and deal with it professionally. The best thing is that on multiple occasions they have gone beyond their regular working hours in delivering results.”

— Mr. Prashant Prasad

MallTooHall

“Our entire IT support is handled by Pharoscion. They are very quick in delivering the results. Pharoscion goes beyond just the client relationship like, sometimes they have extended their working hours to help us out, provided vital suggestions on how can we improve. We are expanding now and our IT services will always be handled by Pharoscion.”

— Mr. Saurabh Jaiswal

Sounds Of Nidra

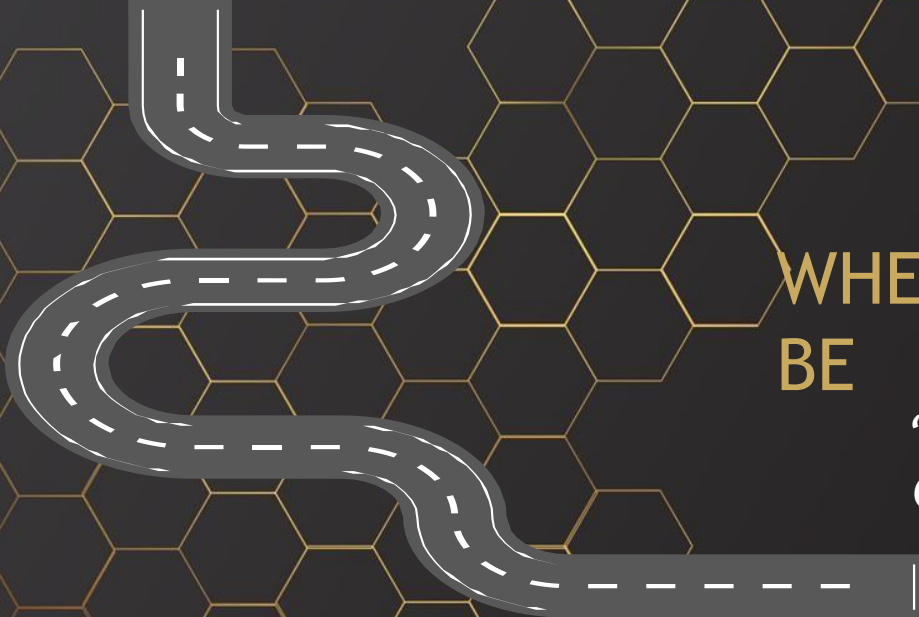

“Pharoscion has built so much trust that we are more like a family to them not just a client. They have provided very simple & easy approach and are always available for any kind of assistance. They are also very professional when it comes to meeting deadlines. Businesses are done on trust, we have faith in Pharoscion and we want to grow with Pharoscion.”

— Mr. Ajit Deshpande
