ABOUT US

Ready 2 Bite is the business acumen of three food lovers who came together after observing real-life problems in finding healthy, hygienic and easy to prepare food. The idea was to make available meals that are an amalgamation of convenience and health besides giving a taste, touch and feel of homemade food.

The objective to bring in meals ready to eat that would not just be edible but significantly delicious took the team to an endeavor to gain experience, do research and gather information from experts to materialize the idea. Ready 2 Bite thus is the consequence of an amazing conception, extensive research, strenuous effort and assess implementation. We call it delicious food anytime.

Our healthy, home-style prepared meals can be substituted with regular cooked meals in your kitchen anytime as per need or convenience. Moreover, these ready to eat meals make travel whether domestic or
