

# The Trusted Supplier of Coconut Products from Indonesia

Supplying all over the world

Avericoco or PT Averi Solusindo Agribisnis is the trusted supplier of coconut products from Indonesia. We are a company engaged in coconut plantation and manufacturing various coconut products with best quality materials. Our partner as an experience small-medium enterprises in West and Central Java, had been experienced on coconut production and distribution for more than 20 years.

In the beginning, our company was engaged in manufacturing where we processed coconut derivative products, namely coconut shells into cocopeat and coco-fiber. And after that our company expanded into more derivative coconut products such as Cube Coconut Briquette and Hexa Coconut Briquette.

## Our Product

### Coco Fibre
