

Desiccated Coconut

Profile Company

EASTURA Indonesia
PT. Trinita Sinergi Pacific
Jl. Pluit Indah 168B, North Jakarta City, Jakarta
14450

Welcome to EASTURA!

The Leading **Desiccated Coconut Manufacturer** in Eastern Indonesia

Desiccated Coconut is grated dried coco, unsweetened fresh meat, and processed under a hygienic system. Desiccated Coconut is usually used as an ingredient in processed foods such as bread, cakes, confectionery, etc. Desiccated Coconut Powder from Indonesia has the various desired cuts and is available as fine, medium, and extra fine grades.
