

Rudraksh Herbals

seed of health & wellness

Product List

Our Product Range

We are presenting a comprehensive range of Ayurvedic herbal products for Health, Beauty and Wellness. Our product range includes: Indian Ayurvedic Herbs (in whole & powder form), Hair Care Herbal Powders, Skin Care Herbal Powders, Plant-derived Pigments, Natural Hair Dyes and Other Herbal Healthcare Products. Our products are rich in principle medicinal essence, and are free from synthetic additives, artificial colouring agents, pesticides and other harmful chemical substances. Our entire range of products is 100% Vegan, Pure, Natural, Organic, Non-GMO, Hypoallergenic (skin-friendly), and Eco-friendly.

Our herbal products are produced from best quality raw herbs that are procured from the region where it naturally habitat or considered ideal for its cultivation. Most of our raw herbs come from our own farmlands, where it is cultivated using traditional and natural farming methods as per the ancient principles prescribed by the Indian Saints and Sages. All of our products are precisely prepared with highly effective compositions without any adulteration of harmful chemical or organic compounds, and are well-packed to comply with International Standards and quality norms. We assure you that once you will use our products and services, you would never even think about switching your supplier!

We deal in following categories of products:

1. Ayurvedic Herbs
2. Ayurvedic Herb Powders
3. Skin Care Herbal Powders
4. Hair Care Herbal Powders
5. Natural Plant Dyes
6. Henna-Based Herbal Hair Colors

Ordering Procedure – For Indian Customers

Step 1: Email or send us a message regarding your enquiry.

Step 2: We will send our detailed proposal with product price list.

Step 3: You have to specify the order details like purchase quantity, packaging & labeling requirements, preferred shipping mode, etc.

Step 4: The total amount will be quoted to you (product prices, plus shipping cost)

Step 5: Once you're given the total payable amount and you're okay with it, pay immediately via Paytm/Bank Transfer (NEFT/IMPS)

Step 6: The order processing time is 3-7 working days (from the date of payment), depends on the product availability and order volume.

Step 7: The delivery time is 3-5 working days for orders shipped via India Post Speed Post (EMS) or DTDC courier.

Step 8: The delivery time is 7-12 working days for orders shipped via India Post Registered Parcel.

Ordering Procedure – For Overseas Customers

Step 1: Email or send us a message regarding your enquiry.

Step 2: We will send our detailed proposal with product price list.

Step 3: You have to specify the order details like purchase quantity, packaging & labeling requirements, preferred shipping mode, etc.

Step 4: The total amount will be quoted to you (product prices, plus shipping cost)

Step 5: Once you're given the total payable amount and you're okay with it, pay immediately via PayPal/Bank Transfer (SWIFT)

Step 6: The order processing time is 3-7 working days (from the date of payment), depends on the product availability and order volume.

Step 7: The delivery time depends upon your preferred shipping mode (Express or Economy), and import regulations of your country's customs.
