QUALITY MANAGEMENT CENTER

After years of development, AoGrand Group formed a high-quality Research and Development Department with hundreds of professionals working on creating the best household products and providing professional services. The second-phase headquarters are expected to be finished by September next year with 322 917 square feet workshops. Two more research laboratories will be put into use in Guangzhou and Nanjing separately by the end of this year. With advanced technology and equipment, the company built up the fully automated assembly line from manufacturing to distribution to control the producing process and maintain the high product quality. The products from the company have passed ISO9001, ISO14001 and OHSAS18001 (the three major international quality management systems) , and obtained CE approvals, SDS along with other international standard system certifications.

GLOBAL SALES NETWORK

AoGrand operates in over 150 countries and seeks cooperation opportunities from all over the world to achieve mutual benefit with all of its partners.

PROFESSIONAL TEAM

Over the past 20 years, AoGrand Group has not only won many honorary titles such as "China Top 100 Enterprises in the Consumer Industry", "Jiangsu Certified Enterprise Technology Center", "China AAA Quality Credit Company", but also built the company reputation of "credibility with honesty, reputation with quality" in the rapid development. The company applied the Corporate Brand Identity Matrix (CBIM) to identify the products, target groups and market places as well as fill in the gap between current brand identities and ideal brand identities. AoGrand operates in over 150 countries, covering more than 80% of the world's major market, and maintain the global leadership in Disposable hand sanitizers.
