The story

A force in Export construction – guided by family values, trust and putting people first.

The ALVIN CABINETRY story began back in 2017. In the years since then, we've grown to be a rich experience export cabinetry factory by an unwavering commitment to quality, our clients, and our people. These foundations have seen us become one of the top private companies in South of China and cooperated with lots of chinese trading company for export cabinetry,an award-winning portfolio of almost 20,000 successfully completed projects from early work packages to \$1+ million projects. In 2023,we star to build our own brand ,and export the cabinets by ourshelves.

The Vision and mission:

Competitive to be the best

No fear of solving hard problems ourselves

Entrepreneur and stay scrappy

Minimize bureaucracy, just gets it done

Efficiency and sustainable

Work hard, love what we do, have fun
