#### **OUR COMPANY FOCUS**

#### **WHO WE ARE**

Abronn FZE is one of the leading provider in healthcare solutions, medical units, special vehicles and medical devices / equipment in the United Arab Emirates and around the world. Our company primarily offers wide range of ambulances, emergency transport, mobile clinics, field hospitals, special vehicle conversion and other mobile automotive solutions. Additional to our medical products; we supply medical devices, hospital and emergency equipment.

#### INTRODUCTION

We are recognised as certified CE manufacturer for our medical products, hospital furnitures and healthcare devices. Abronn consistently delivers high-quality service tailored to the exact needs of our customers. Adding value to our products and services, Abronn FZE operation is accredited certified to ISO9001: Quality Management System (QMS), ISO13485: Medical Devices, ISO14001: Environmental Management System and ISO45001: Occupational Health & Safety.

#### **OUR FACTORIES**

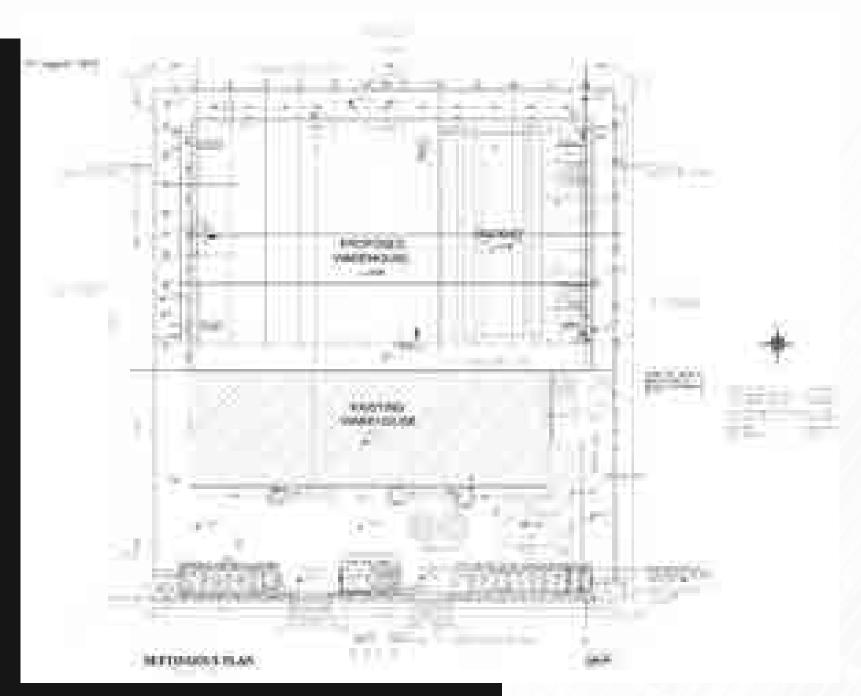

## A Global Force in Innovation and Manufacturing

Abronn, a global leader in manufacturing, proudly operates factories in strategic locations around the world. With manufacturing facilities in Ras Al Khaimah and Ajman in the United Arab Emirates, as well as in Turkey and the United Kingdom, we are strategically positioned to serve our clients' needs on an international scale. This diverse network of factories ensures efficient production, reduced lead times, and superior quality control, allowing us to deliver exceptional products and services to our esteemed customers worldwide.

#### **OUR FACTORIES**

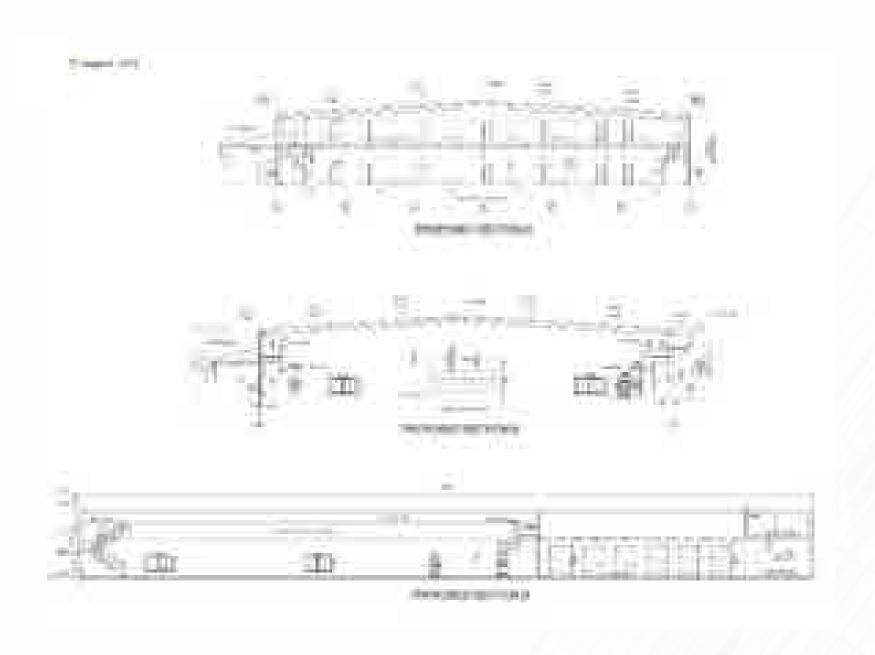

#### Where we are

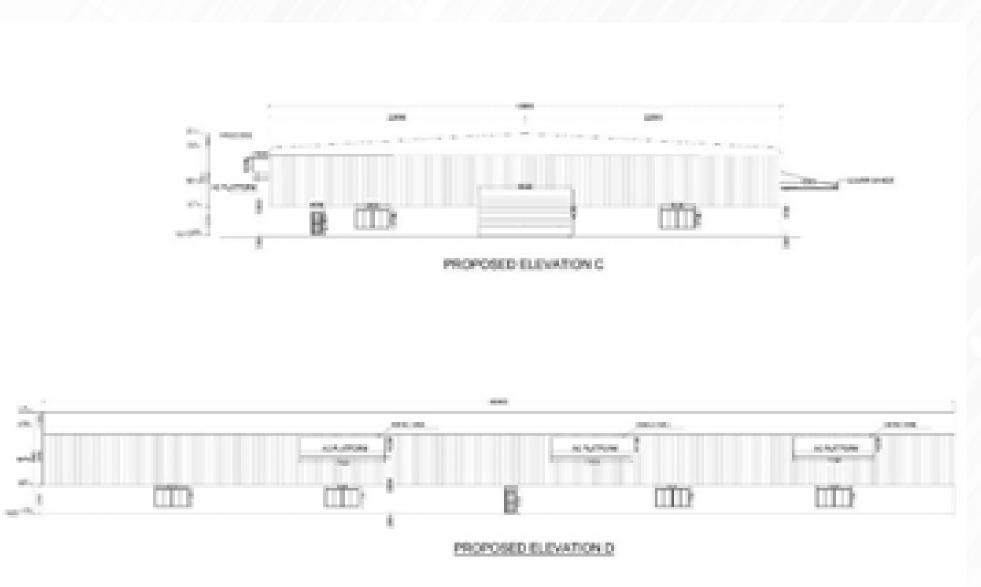

Abronn's warehouse and office space in the prestigious Jebel Ali Freezone. With an impressive 10,000 sqm area, we have enormous space for storage and operational needs. Our facilities are designed to meet the highest industry standards, ensuring the utmost safety and efficiency of our staff and medical equipment.

From 10,000 sqm area, a further development underway. With this expansion, we aim to meet the increasing demand for our high-quality products and serve our customers more efficiently.

#### **OUR FACTORIES**

#### **OUR PEOPLE**

#### Were Innovation Drives Ambulance Excellence

At Abronn, we take pride of our people. With a team of 95 highly skilled individuals dedicated to delivering excellence. From our engineers and designers to our technicians and support staff, each member plays a crucial role in crafting top-of-the-line ambulances that save lives everyday.

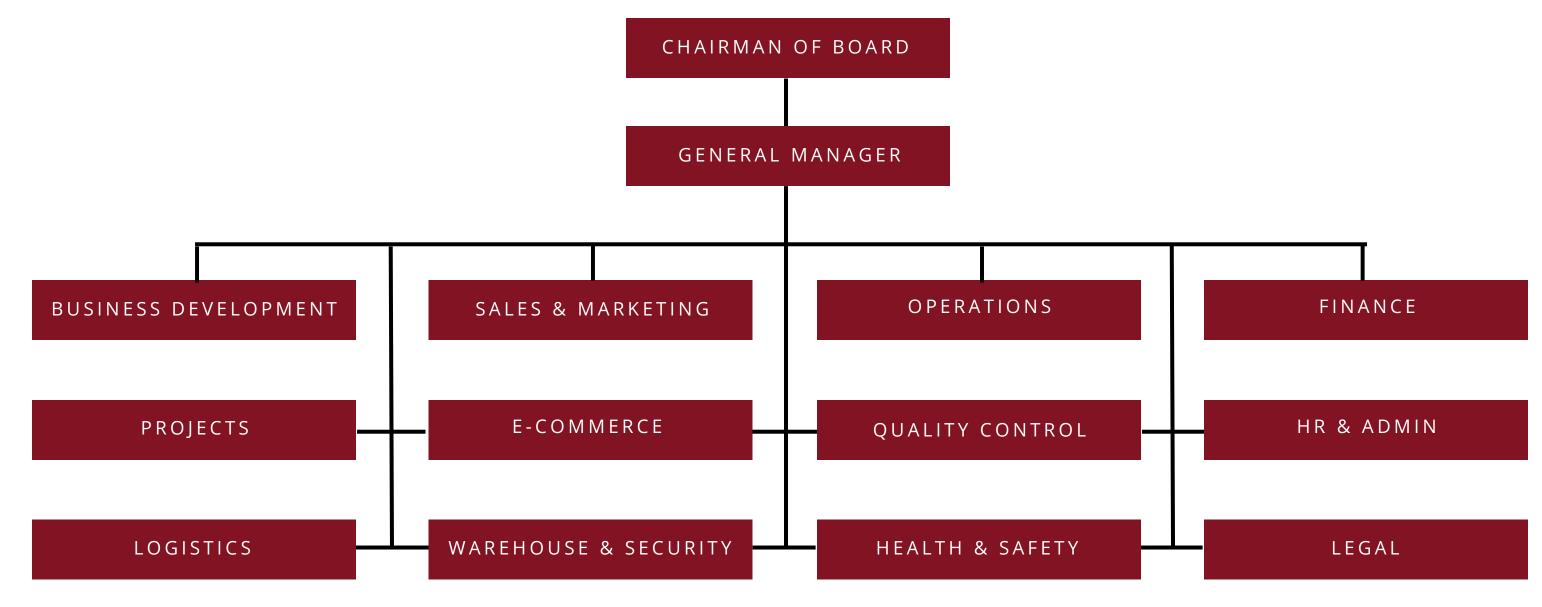

With a diverse range of expertise and unwavering commitment to quality, our team at Abronn is driven by a shared passion for innovation and relentless. We understand the critical nature of our work, which is why we continuously push boundaries to design and build ambulances that set new industry standards.
