

Are you looking for a professional and experienced event consultancy team to help you plan and execute your next event? Look no further! Our team specializes in creating and executing successful events of all types, from conferences and conventions to corporate retreats and product launches.

We understand that planning an event can be a daunting task, which is why we offer a wide range of services to take the stress out of the process for you. Our services include event planning and management, venue selection, vendor management, budgeting and financial tracking, registration and attendee management, marketing and promotion, and on-site coordination.

Our team members and Consultants have experience in a variety of industries, including technology, finance, healthcare, and more. We work with you to understand your goals and objectives for the event, and then use our expertise to create a customized plan that will help you achieve them.

By working with us, you can expect to see a number of benefits, including:

- A well-planned and executed event that meets your goals and objectives
- Increased attendance and engagement from attendees
- More efficient use of your budget
- A reduction in the stress and time commitment required to plan the event
- Increased brand awareness and positive brand association

Event Consultancy: Our event consultancy services include comprehensive planning and execution of your event, from start to finish. We will work closely with you to understand your goals and objectives for the event and create a customized plan to achieve them. Our services include:

- Venue selection and coordination
- Vendor management and coordination
- Budgeting and financial tracking
- Registration and attendee management
- On-site coordination and management

Traffic Management Plan: Effective traffic management is crucial for the success of any event. Our traffic management plan includes:

- Conducting a site survey to identify potential traffic flow issues
- Developing a traffic management plan that minimizes congestion and maximizes safety
- Coordinating with local authorities and law enforcement to ensure compliance with traffic regulations
- Providing traffic control personnel and equipment, such as barriers and signs, to guide attendees and manage traffic flow
- Developing a parking plan to ensure adequate and safe parking for attendees
- Implementing a shuttle service to transport attendees to and from the event

By working with us, you can have peace of mind that your event will run smoothly with proper traffic management in place. We will ensure that your attendees have a positive experience and that your event is executed without any traffic-related issues.

Our pricing is customized based on the specific needs and goals of each event. Let us help you make your next event a success. Contact us at 6293 3900 today to schedule a consultation and receive a proposal.
