Model no: LI-019 BF

Weight : 6.5kg

Colour: Golden

Base plate : Full Brass

Milage: 18-22 hr/kg

Safe:99%

Model no: Li-018

Weight : 6.7 kg (approx)

Colour: Black

Base plate: Brass

Milage: 18-20 hr/kg

Safe:99%

Model no: Li-018

Weight : 5.5kg (approx)

Colour: Blue

Base plate: Brass

Milage: 18-20 hr/kg

Safe:99%

Model no: Li-011

Weight : 6.5 kg

Colour: black

Base plate : Iron casting

Milage: 18-20 hr/kg

Safe:99%

Model no: Li-016

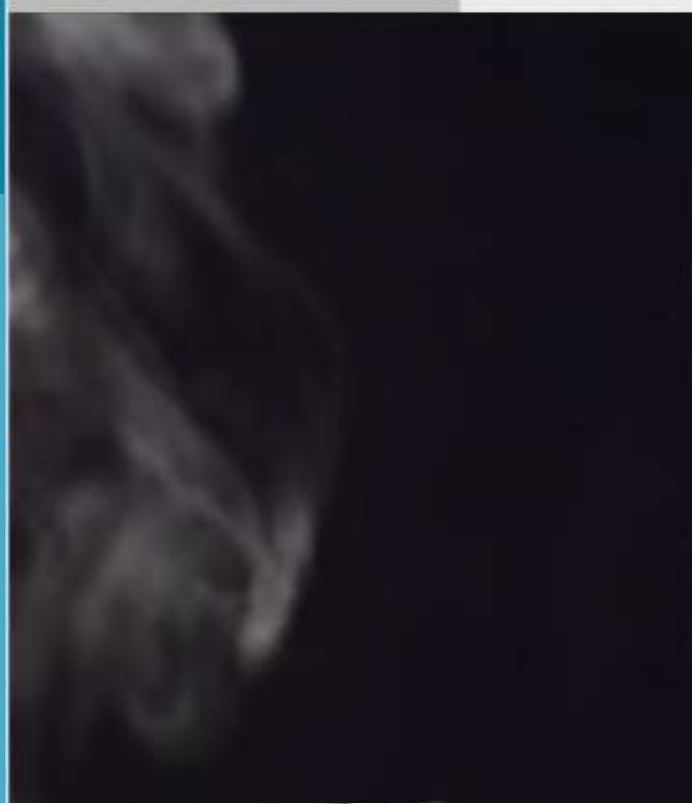

Weight : 5.5 kg (approx)

Colour: Blue colour

Cover plate : Aluminum

Base plate : Caste Iron

Milage: 18-20 hr/kg

Model no: Li-619

Weight : 6.5kg

Colour: full Chrome

Base plate : Cast Iron

Milage: 18-20 hr/kg

Safe:99%

Model no: MI-021

Weight : 4kg

Colour: Red

Base plate : Cast Iron

Milage: 32-35 hr/kg

Safe:99%

Model no: TI-009

Weight : 2.6kg

Colour: Yellow

Base plate : Cast Iron

Milage: 35-38 hr/kg

Safe:99%

Will All LPG Gas Iron You will Get Following Accessories in The Box

Iron with weight 5.5/6.5 kg	Irons with weight 2.6kg/4kg
One 3 mtr Hose pipe	One 2 mtr Hose pipe
One High Pressure Regulator for Big cylinder 14kg/19kg	One High Pressure Regulator for Small Cylinder 5kg
One Controller	One Controller
One Valve Stand	One Valve Stand
Two Safety clips	Two safety clip
Two Nozle Pin & User Manual	Two Nozle Pin & User Manual

Electric Iron

SI-ST-2128

- » Internationally certified electric and electronics parts used (CE, VDE, CSA, CQC)
- » With Italian Thermostat
- » A specially treated heat-resistant hand protector, preventing completely the conduction of heat to the hand
- » More comfortable urethane handle
- » A soft-touch-styled button switch of superb convenience
- » Sharper body design
- » Improved steam quality with 900W
- » High Steam Flow
- » Designed in Taiwan

SI-ST-ES300L-PRO

- › With Big Size Base
- › Internationally certified electric and electronics parts used (CE, VDE, CSA, CQC)
- › More comfortable urethane handle
- › A soft-touch-styled button switch of superb convenience
- › Sharper body design & modern black color
- › Improved steam quality with 1600W
- › Designed in Taiwan

SI-ST-96

- › Internationally certified electric and electronics parts used (CE, VDE, CSA, CQC)
- › More comfortable urethane handle
- › A soft-touch-styled button switch of superb convenience
- › Sharper body design & modern black color
- › Improved steam quality with 1600W
- › Designed in Taiwan

ELECTRIC STEAM BOILER

- » Fully automatic boiler, Low weight, dry steam
- » Compact & versatile modular controls
- » Saves electricity, allows using heaters according to usage
- » High pressure feed pump,
- » Patented water level regulator
- » Imported spare parts,
- » Totally dry steam at optimum pressure

MODEL	HEATER (KW)	PUMP	IRONS	STEAM PRESSURE
AKB-01	4KW	2	4-6 BAR

ELECTRIC STEAM BOILER

VACUUM IRONING TABLES

STANDARD SERIES MODEL : AKSD-01

- Powerful and uniform suction through centrifugal blower
- Power coated top consist of hundred of perforation to ensure instantaneous extremely powerful moisture extraction
- Vibration-less and silent
- High Density silicon mix washable foam and heat resistant cloth for longer life
- Latest design for low power consumption
- Optional : Buck Arm, Table top lighting, Utility tray, Blowing assembly

VACUUM IRONING TABLES

STANDARD SERIES MODEL : AKSD-02 (ADJUSTABLE)

- Powerful and uniform suction through centrifugal blower
- Power coated top consist of hundred of perforation to ensure instantaneous extremely powerful moisture extraction
- Vibration-less and silent
- High Density silicon mix washable foam and heat resistant cloth for longer life
- Latest design for low power consumption
- Optional : Buck Arm, Table top lighting, Utility tray, Blowing assembly

VACUUM IRONING TABLES

STANDARD SERIES MODEL : AKSD-03 (WITH BUCK)

- Powerful and uniform suction through centrifugal blower
- Power coated top consist of hundred of perforation to ensure instantaneous extremely powerful moisture extraction
- Vibration-less and silent
- High Density silicon mix washable foam and heat resistant cloth for longer life
- Latest design for low power consumption
- Optional : Buck Arm, Table top lighting, Utility tray, Blowing assembly

VACUUM IRONING TABLES

HEAVY DUTY SERIES

MODEL : AKHD-01

- Powerful and uniform suction through centrifugal blower
- Power coated top consist of hundred of perforation to ensure instantaneous extremely powerful moisture extraction
- Vibration-less and silent
- High Density silicon mix washable foam and heat resistant cloth for longer life
- Latest design for low power consumption
- Optional : Buck Arm, Table top lighting, Utility tray, Blowing assembly

VACUUM IRONING TABLES

HEAVY DUTY SERIES

UTILITY MODEL : AKHD-02

- Powerful and uniform suction through centrifugal blower
- Power coated top consist of hundred of perforation to ensure instantaneous extremely powerful moisture extraction
- Vibration-less and silent
- High Density silicon mix washable foam and heat resistant cloth for longer life
- Latest design for low power consumption
- Optional : Buck Arm, Table top lighting, Utility tray, Blowing assembly

VACUUM IRONING TABLES

HEAVY DUTY SERIES

MODEL : AKHD-03 (WITH INBUILT BOILER)

- Powerful and uniform suction through centrifugal blower
- Power coated top consist of hundred of perforation to ensure instantaneous extremely powerful moisture extraction
- Vibration-less and silent
- High Density silicon mix washable foam and heat resistant cloth for longer life
- Latest design for low power consumption
- Optional : Buck Arm, Table top lighting, Utility tray, Blowing assembly

GARMENT STEAMER

ST-500

STEAM

PRE HEAT

WARNING
When correct steam head mode is on
to use right hot that enclosed.
Other steamer on screen. The heating
connecting tube are extremely hot.

GARMENT STEAMER ST-2000

It can play an excellent function even under any kinds of operating conditions by its quick steam emission

- » Energy Economy
- » Work Efficiency
- » Internationally certified electric and electronic parts used
- » The alarm system for water shortage

GARMENT STEAMER ST-500

It can play an excellent function even under any kinds of operating conditions by its quick steam emission

- » Energy Economy
- » Work Efficiency
- » Internationally certified electric and electronic parts used
- » More elegant outlook
- » The alarm system for water shortage

GARMENT STEAMER ST-300

It can play an excellent function even under any kinds of operating conditions by its quick steam emission
