

The **Prime** choice
for **Production**

About US

Teron Metal Components is a manufacturer of Brass Products such as Fittings, Electrical parts, Sheet metal, Safety parts, Terminals, Battery terminals, Fasteners etc. We are also manufacturer of Stainless steel parts with variety of fasteners for major applications in such major areas as Aerospace and Commercial. We provide all types of SS Fittings products As per customer requirements. Our manufacturing unit has wide range of alloys with approved standards along with European and US Standards. Our warehouse area has facilities for handling raw materials to dispatch the final product accordingly. Our skilled production team have good knowledge of CNC and VMC machines. We have also facilities for Plating, Bench marking, Buffing and Polishing of products etc. On-time Delivery and Provide Superior Quality are our priorities.

For Raw Material, We have in house facilities of Importing, Sorting and Foundry in factory premises. Finished goods dispatch from our distribution centre located in Jamnagar (GUJARAT), as well as have a warehouse facility in the UK for dispatching in European countries. In addition to the outstanding workmanship and engineering that **Teron Metal Components** have displayed for more than 31 yrs.

Our Manufacturing Business Grows because of our strengths in Recycling, Casting/ Drawing Rods, Machining, Forging and Providing Customised Fabrication solutions to our customers. The group decided to bring more work in house and started installing fast and precision metal turning machinery from around the world.

Quality

Our target is to provide zero defect products to maintain relations with clients, Which is remarkable in industry. To meet the global demand, we take care of every stage right from raw material purchase to finished goods. Our quality assurance team is trained and well experienced. To achieve the maximum standard, our quality control team continuously monitors the products and user requirement rights from the production stage up to the final dispatch. Due to strict quality control procedures, Our customers are ensured that their requirements are fulfilled with Accurately and Consistency. Each and every pieces are inspected under strict quality control manuals.

Our Commitment

Our commitment to understanding and exceeding the expectations of our valued customers, While delivering high-quality products, services and solutions to their most demanding requirements.

Our Vision

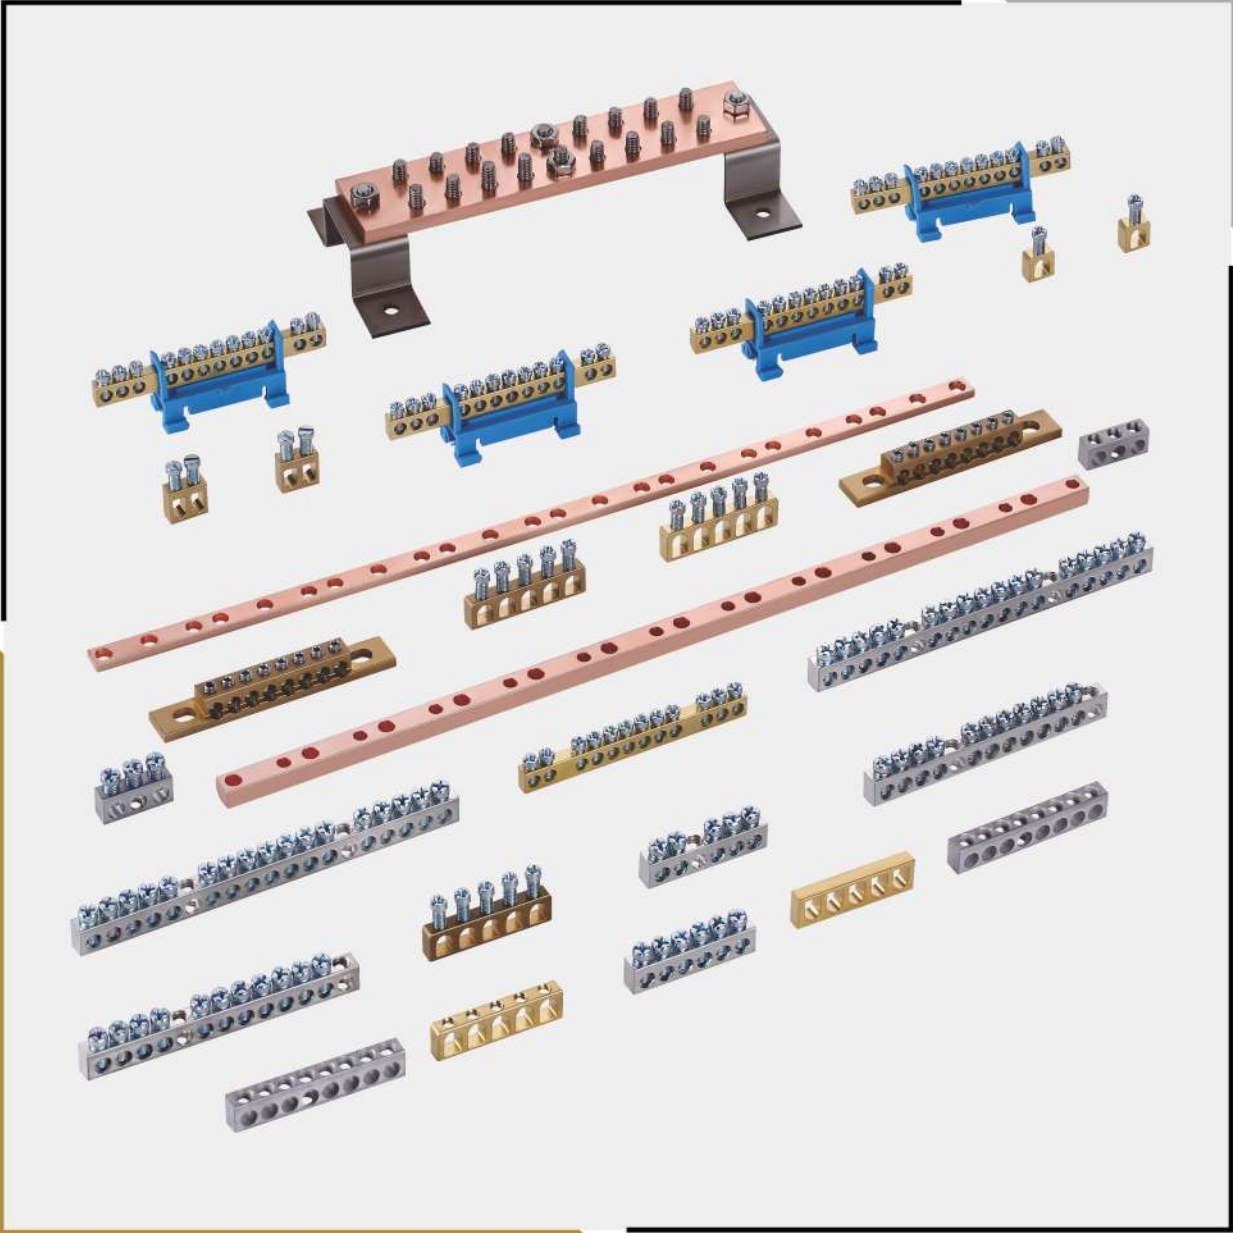

Teron Metal Components' renowned reputation ensures that clients receive only the best quality product at the most competitive price and constantly adapt to customer requirements.

Our Mission

Our mission is to continuously strengthen and upgrade our manufacturing processes, quality systems and people competencies by training & education and providing a safe workplace.
