- Airbag + vibration massage
- Hot compresses eye
- 4 modes can be switched
- 15 minutes intelligent timing

**BISD-A12**

**Hot and cold vibrating eye mask**

- Small and miniature on-the-go
- Hot compress + ice compress
- Vibrating eye massage
- 15 minutes intelligent timing

**BISD-YD720**

**Eye Massager**

- Steam nourishes the eye area
- Thermostatic hot compress
- Skin-friendly material
- 5 modes can be switched

**BISD-YD730**

**Eye Massager**

- Steam nourishes the eye area
- Thermostatic hot compress
- Skin-friendly material
- 5 modes can be switched

**BISD-K707**  
Knee massagers

- 3 levels of vibration intensity
- 3 levels of heating
- USB Charging, Battery capacity: 2500mAh
- Air pressure massage

**BISD-K701J**  
Thigh Massager

- 3 massage modes, 2level of intensity
- One-button operation to switch modes
- Battery capacity: 1200mAh
- Air pressure massage, 15min timing

**BISD-ST501A**  
Leg massagers

- 6 modes, 3 levels of intensity
- Air Compression Massage
- Hot pressure massage
- 10 minutes regular massage

**BISD-K705G**  
Leg massagers

- 3 levels of vibration intensity
- 3 levels of heating
- Air pressure massage
- USB Charging

**BISD-K703**  
Knee massagers

- 3 levels of vibration intensity
- 3 levels of heating (40°C/50°C/60°C)
- Battery capacity: 5000mAh
- 30 minutes regular massage

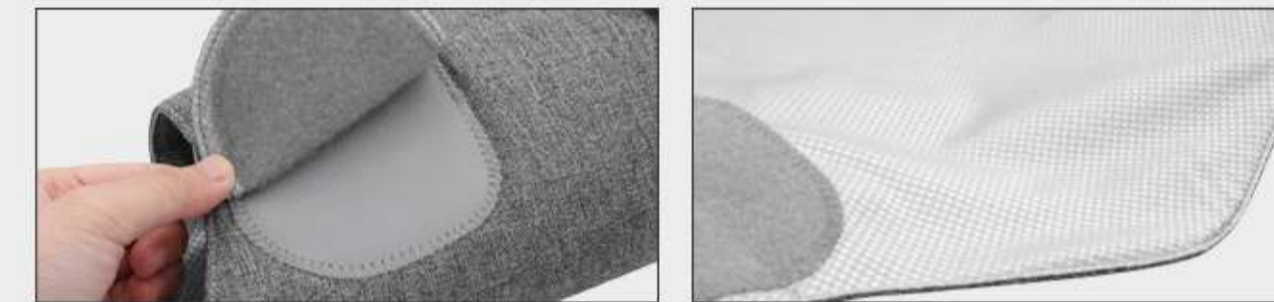

**BISD-K705Z**  
Leg massagers

- 3 levels of vibration intensity
- 3 levels of heating (40°C/50°C/60°C)
- Air pressure massage
- Zipper design is easy to put on

**BISD-K701**  
Airbag compression leg massager

- 3 massage modes, 2level of intensity
- One-button operation to switch modes
- Battery capacity: 1200mAh
- Air pressure massage, 15min timing

**BISD-K709A**  
Leg massager

- 3 massage modes, 3 levels of heating
- 3 levels of vibration intensity
- Battery capacity: KC 2500mAh
- Air pressure massage, 15min timing

**BISD-K705**  
Leg massager

- 3 massage modes, 3 levels of heating
- 3 levels of vibration intensity
- Battery capacity: KC 2500mAh
- Air pressure massage, 15min timing

**BISD-K709D**  
Leg massager

- 3 massage modes, 3 levels of heating
- 3 heating temperatures
- Battery capacity: KC 2500mAh
- Air pressure massage, 15min timing

**BISD-K709B**  
Leg massager

- 3 massage modes, 3 levels of heating
- 3 levels of vibration intensity
- Battery capacity: KC 2500mAh
- Air pressure massage, 15min timing

**BISD-HSM901**  
Foot massager

- Red light physiotherapy air pressure
- Acupressure points on the feet
- Heated hot compresses
- Intelligent timed wireless massage

**BISD-HSM903**  
Foot massager

- 7-speed air pressure
- Acupressure points on the feet
- Heated hot compresses
- Intelligent timed wireless massage

**BISD-660**  
Foot Baths

- Three massage modes
- Full body massager and sofa stool
- Roller massage Balloon squeeze
- Warm compress
- long battery life

**BISD-0406**  
Foot massager

- 8D Stereo Surround Kneading
- Thermostatic hot compress
- 3 levels of adjustable strength
- Automatic timing 15 minutes

**BISD-062F**  
Foot EMS Massager

- EMS Microcurrent deep relaxation
- Simple operation, one key to open
- 6 modes, 19 levels of intensity
- Foldable storage for easy portability

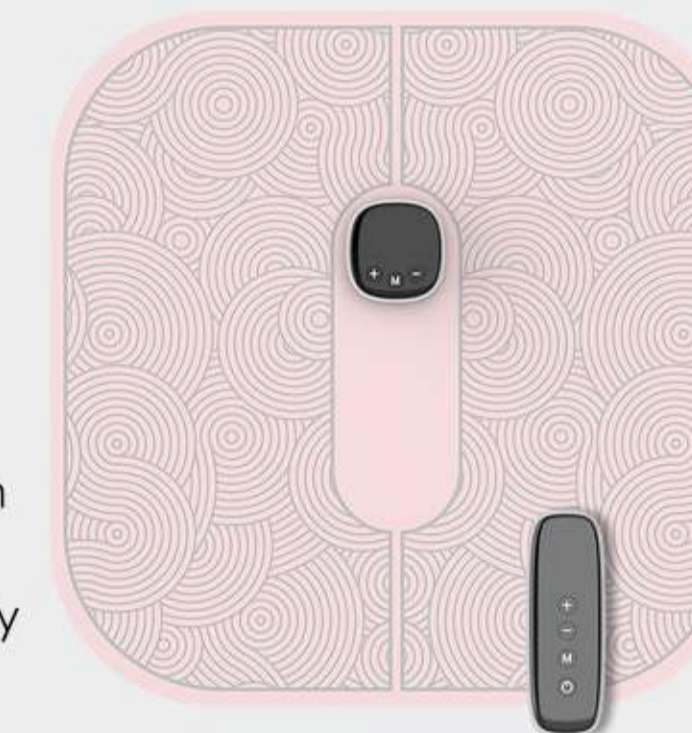

**BISD-EM025**  
Foot EMS Massager

- EMS Microcurrent deep relaxation
- Simple operation, one key to open
- 6 modes, 19 levels of intensity
- Foldable storage for easy portability

**BISD-EM021**  
Foot EMS Massager

- EMS Microcurrent deep relaxation
- Simple operation, one key to open
- 6 modes, 19 levels of intensity
- Foldable storage for easy portability

**BISD-EM022R**  
Foot EMS Massager

- EMS Microcurrent deep relaxation
- Simple operation, one key to open
- 6 modes, 19 levels of intensity
- Foldable storage for easy portability

**BISD-EM024**  
Foot EMS Massager

- EMS Microcurrent deep relaxation
- Simple operation, one key to open
- 6 modes, 19 levels of intensity
- Foldable storage for easy portability

**BISD-2801**  
Foot massager

- Foot Kneading Massage
- Red light hot compress massage
- 4 modes one-key switch
- Low noise, quiet massage

### BISD-HS18 Mini Massage Gun

- Brushless motor, Silicone massage heads
- 4 intensities and 4 massage heads
- Small body with massage
- Noise below 45 db

### BISD-HSQ8 Mini Massage Gun

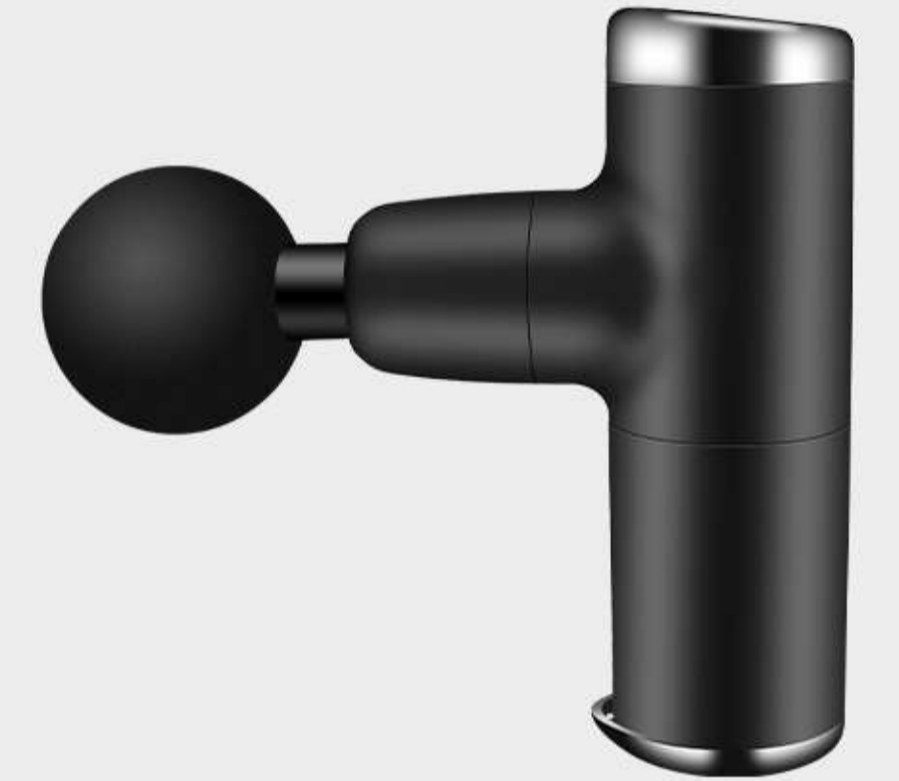

- 4 intensities ,4 massage heads
- Brushless motor,Battery capacity: 2000mAh
- 6mm muscle massage
- Small body with massage

### BISD-SK368 Mini Massage Gun

- 6mm muscle massage
- Battery capacity: 1500mAh
- 32 adjustable strengths
- Noise below 45 db

### BISD-SK328 Mini Massage Gun

- 7.5mm muscle massage
- Battery capacity: 2000mAh
- 4 adjustable strengths
- Noise below 45 db

### BISD-K201 Handheld Massager

- One key switch, 5 vibration modes
- Skin-friendly silicone, more secure
- Intelligent noise reduction, low noise
- Battery capacity: 2200mAh

### BISD-1706 Handheld Massager

- 10-speed shifting design
- 6 massage heads, 12 modes
- Intelligent noise reduction, low noise
- Long battery life, 1.5-2 hours

**BISD-K602**

**Wireless remote control neck massager**

- Six simulated real scenes massage technique
- TENS low frequency pulse massage
- Wireless remote control can be operated remotely
- 16 levels of massage intensity can be adjusted

**BISD-H66**  
**Neck massager**

- 6 modes adjustable
- 9 massage intensity
- Safe material upgrade electrode pads
- TENS low frequency pulse massage

**BISD-H88**  
**Neck massager**

- Heated Massage
- Vibrating Massage
- 5min intelligent timed massage
- TENS low frequency pulse massage

**BISD-ST301**  
**Neck massager**

- Simulation 4D Shiatsu Massage
- Hot Compress Massage
- 3D handle for comfortable grip
- 15min timer shutdown, USB charging

**BISD-A8**  
**Pendant neck massager**

- TENS low frequency pulse
- Light weight and comfortable to wear
- 4 modes, 15 levels of gears
- Constant temperature hot compress

**New U-shaped pillow**

- Thermostatic heating massage neck
- Point pressure kneading neck massage
- 360° around to support the intimate design of the neck
- 3 modes adjustable, 15 minutes massage intelligent timing

**BISD-ST1203**  
**Massage cushion**

- 2 modes of massage
- 40° C red light hot compress
- 10min intelligent timed massage
- 2000 mA wireless convenient

**BISD-DM3**  
**Massage cushion**

- Three levels of strength selection
- Warm sensory hot massage
- High rebound memory pillow
- 15min intelligent timed massage

**BISD-055K**  
**Neck massage**

- Hot Compress Massage
- 4 massage heads
- Kneading Shiatsu Massage
- Breathable fabric

**BISD-ST350**  
**Shoulder Massage**

- 2 massage modes
- Hot Compression Massage
- Kneading Massage
- 10min intelligent timed massage

**BISD-125**  
Full Body Massage Chair

- Simulation of Tui Na massage techniques
- Whole body acupuncture points can be massaged
- Far-red light irradiation physiotherapy
- Can be adjusted by remote control, easy to operate

**BISD-MS014**  
EMS massage stickers

- 6 Massage Modes
- 19 levels of intensity
- low frequency pulse massage pad
- Skin-friendly gel, patch breathability

**BISD-K001**  
EMS massage stickers

- TENS low frequency pulse
- 20 levels of intensity
- 3 levels of temperature
- Skin-friendly gel, patch breathability

**BISD-MS002**  
EMS massage stickers

- TENS low frequency pulse
- 1 abdominal patch,
- 2 topical patches
- Level 6 strength can be selected

**BISD-MS009**  
EMS massage stickers

- TENS low frequency pulse
- Simulate the real exercise state
- One-piece hip patch
- Level 6 strength can be selected

**BISD-YTK309B**  
New U-shaped pillow

- Multimodal Physiotherapy Pulse Massage
- Can be used for full body massage
- One-button start, easy to use and operate
- No side effects or safety concerns

**BISD-DSA33**  
Cupping device
