

SAFETY GLOVES

ABOUT US:

AF-FAIZ Leather Enterprises has been one of the leading producers of following leather items:

1:- Leather Work Gloves

2:- Leather Garments

We are exporting our products worldwide since last 35 years.

Being aware of the demand and knowing that high quality and healthy working environment to its workers is the most important part of the factory, The AF-Faiz Leather has built up a new site called technology center which is equipped with the most advanced machinery and technology to produce the high quality products to meet the customer satisfaction.

We are searching for the business cooperation with some worthy customer, are you interested to start business negotiations with us? We have deep experience to produce high quality gloves & garments at most competitive prices.
