

BONITO APPARELS

DISTINCT IN THE MARKET

About Us

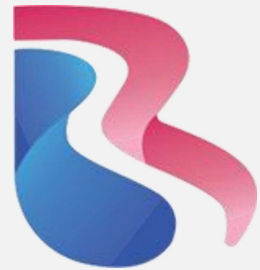

Bonito was established in 2021 as a Men's and Women's Wear manufacturer in Bengaluru. Today, with the baby steps, Bonito is evolving from just another small factory to a professional manufacturing company with sustainable manufacturing practices that manages its Premium Customers and a range of product line.

We pride ourselves on our core competencies of immaculate product knowledge gained over 10yrs of Merchandising and Product Development. Our success has been driven through a strong commitment to Quality and Delivery.
