

# CREATIVE Tools

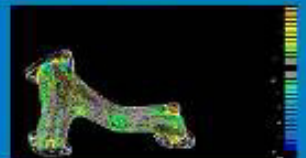

Creative is a group of companies comprising of three companies, namely Creative Infocom Pvt. Ltd. Creative Tools, Creative Infosys and The group possesses comprehensive and exhaustive experience for all the Industrial Product Design Services offered by the company. Guided by an expert team of engineers, we at Creative Group of Companies are well-equipped to cater to any special requirement of our domestic as well as overseas clients.

## SERVICES

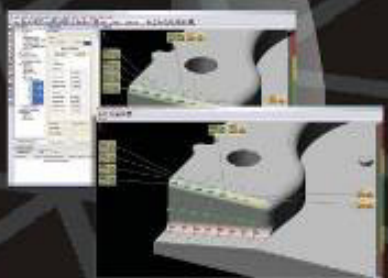

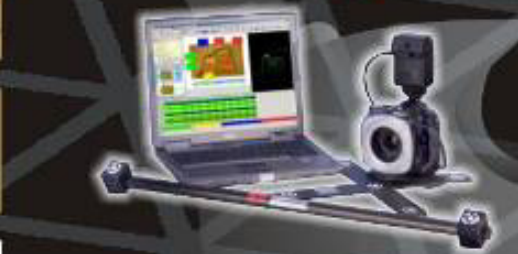

We offer services like product concept designing, engineering, product modeling, numerical simulation, virtual prototyping, rapid prototyping, prototype manufacturing, analysis experimental simulation etc.

- 3D White Light Scanning
- Reverse Engineering
- Class 'A' Surfacing
- 3D Modeling
- Product Design
- Data Conversion
- Rapid Prototyping
- Tool Design
- CNC Machining
- Mould Flow Analysis
- Die Casting Gate Runner Analysis

# 3D RAPID INSPECTION ~~CMM/LASER SCANNER~~ 3D WHITE LIGHT SCANNER

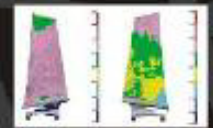

## INSPECTION SERVICES

- 3D Rapid Inspection
- Form Analysis
- Profile Analysis
- Soft Gaging
- Cross Section Analysis
- Comparison Points
- Flush & Gap
- 3D Calipers
- GD&T
  - Flatness
  - Cylindricity
  - Perpendicularity
  - Angularity
  - Parallelism
  - Position
  - Concentricity
  - Total Runout
  - Profile - Surface
  - Profile - Curve

## OTHER SERVICES

- 3D White Light Scanning
- Reverse Engineering
- Class 'A' Surfacing
- 3D Modeling
- Product Design
- Data Conversion
- Rapid Prototyping
- Tool Design
- CNC Machining
- Mould Flow Analysis
- Die Casting Gate Runner Analysis
