PRODUCTS

ROASTED COCONUT OIL

Indulge in the rich, aromatic experience of our premium roasted coconut oil. Crafted from carefully selected copra that is fully dried and roasted to perfection, our coconut oil boasts a deep, nutty flavor and a captivating fragrance that enhances any culinary creation.

COLD PRESSED COCONUT OIL

Our cold pressed coconut oil is a treasure trove of wellness, extracted with the utmost care to preserve its nutritional integrity. Fatty acids, including medium-chain triglycerides and lauric acid, which are known for their metabolism-enhancing properties.

COPRA (DRY COCONUT)

Discover the essence of Kerala with our premium copra, a staple of purity and tradition. Sourced from the verdant groves of Kerala, our copra is sun-dried to perfection, offering a rich source of oil with a distinctive taste that's treasured globally.

COCONUT OIL CAKE

Coconut oil cake, derived from the copra oil extraction process, serves as an excellent livestock feed. Packed with fiber, protein, and essential oils, it provides a cost-effective and wholesome dietary choice for animals, ensuring a full-circle use of the coconut's bounty.

Address : Church Road, Thykoodam, Ernakulam, Kerala, India(682019)
