PREMIUM DRIED FRUITS

**CHEER FARM** is Manufacturer of Natural fruit products from Viet Nam.

Our mission is developing people living quality and protect the nature.

Cheer Farm products are all natural, no artificial substance and stringently manage from the farm

We closely combine with the Farmer, investing intensively in Research & Development natural products and sharing the value with the partners.

We love farming, we respect nature, we serve our customers with the best products and services, and support our farmers in bettering their lives.

# PRODUCTION

Our factory is located at Chau Thanh district, Kien Giang province, Viet Nam, based on an island between 2 rivers and the sea. Here is 3300 hectares pineapple farm which free pesticide cultivated. The factory has been built since 2015, the first one in this island that produces natural fruit for high standard export markets.

We manage stringently the production process, especially Hygiene standards. That is essential in natural product production which no pre-treatment, no artificial substance nor chemical input. We constantly innovate and optimize production process to increase quality, capacity and stabilize the price.

Product process and recipes were completed after long time study and experience. Which saves the best natural taste and Revor. We keep investing in Research & Development to make our products become more satisfied to consumers and more eco-friendly during the time.
