We Are Unlike Others

Taka uses carefully selected polished, rust-free fine wood in a wide range of size, shapes, styles with the essence of natural beauty.

Our manufacturing units possess selected species of treated natural wood like rosewood, mahogany, jack tree and wild jack tree(anjily) and other wood types.

Taka products are a blend of good quality with design requirements harmonized perfectly.

You can now furnish every space with a unique and aesthetic array of products.

Taka is the only ideal choice to enhance the complete fulfilment of your project.

Double Door & Single Doors are available in **Customized Designs also...**
