# BACKPACKS

**The JanSport Big Student backpack has many pockets for your convenience. These are particularly useful for high school or college students where carrying large books and many different items ranging from digital tools to snacks become the norm. Large backpacks for college are a must today, plain and simple.**

# DIGITAL PACKS

Their Digital Backpack is one of their most popular products, as it offers a laptop backpack with advanced digital features. The Digital Backpack has a removable 15-inch laptop sleeve, a tricot-lined tablet pocket, and a front pocket with a digital organizer.

# ACCESSORIES

**JanSport is the ultimate brand for Accessories that fit your lifestyle and your adventure, Such as lunch bags and pouches that add fun and functionality to your backpack. You can mix and match these accessories to customize your look and express your personality.**

# OUTDOOR PACKS

**For a life on-the-move, the JanSport Outdoor Backpack converts from a classic backpack to roller with tuck-away shoulder straps. Cool and convenient. The rolling backpack features a padded 15inch laptop sleeve, side water bottle pocket and front organizer pocket. Wherever you're going, go in style.**

# WAIST PACKS

The JanSport fanny pack allows for everything you need to be within close reach. Coming in a variety of colorful prints and colorways, this waist pack will be by your side on every adventure.

# ABOUT US

**We're the original. JanSport started making packs and outdoor gear back in 1967. We're about the journey, the discovery of fun, freedom, and adventure.**

**That's what inspired our three founders to do something different with their lives design a better pack that was truly innovative and build a company around it. Now, more than forty years later, the journey and the adventure you find along the way is still what drives us and everything we engineer.**

**At JanSport, we continue to innovate and build functional gear that fits you and your life and inspires your journey.**
