MCD KAMADO

# INSIDE OF THE FACTORY

Yixing MCD Oven Co., Ltd is located in Yixing City, Jiangsu Province, China. We are specialized manufacturer of ceramic BBQ grills, and have engaged in this field for more than 10 years.

MCD factory covers an area of 30.000 square meters with more than one hundred staff. Our daily output is up to 500pcs of grills. After years of development, our company scale has constantly enhanced. At current, we have 4×Automatic CNC punch machine, 1×laser cutting machine, 2×CNC bending machine, 12×automatic moulding machine, 1×tunnel kiln, 1×shuttle kiln, etc. We have been constantly upgrading production equipment to improve quality and output.

MCD is a authorized export enterprise. we have built a mature and reasonable system from technical design、 production process、 quality control until after-sale service, which was affirmed by users and the third-party authorities. We are COSTCO/WALMART/GS certified, besides, we are honored as “Excellent Production Enterprise” by our local government every year. All of this demonstrates the ongoing commitment to the delivery of quality, safe and reliable services.

We continually seek ways to optimize interior management , improve value add and pursue sustainable development.
