Neela Pahar Harvest

(One of the few Govt. registered Agarwood distilleries of Assam)

We are

Located in Guwahati, Assam, India, and **proudly stand as the premium distillery equipped with a standard steam distillation facility** for extraction of top-quality Agarwood oil, known as Oud Oil

Hold the distinction of being authorized by all requisite government certificates and regulations and we **adhere strictly to industry standards**

Since our inception, we have been **dedicated to crafting the purest and highest-quality Agarwood Oil** for our esteemed clients across the globe

Our Mission and Vision...

Be one of the country's **premier agarwood oil manufacturers offering high quality pure agarwood oil**

Empower local farmers to explore economic opportunities through this indigenous tree of North East India

Encourage farmers to **do agarwood farming in a sustainable way by ensuring them better price in a consistent manner**

How we differ...

NEELA PAHAAR

Harvest from NorthEast India

Offer 100% Pure & Natural Agarwood Oil from Agarwood trees of Upper Assam and North Eastern parts of India

Adhere to Environmental Regulations and Safety Measures like installing ETP- Effluent Treatment Plant , RO Water for Distillation , Fire Safety etc

No thermal degradation of oil constituents as steam is generated in a satellite boiler and the plant material is exposed to steam in a controlled manner.

Products offered are **supported by GCMS report and COA**

How we differ...
