

PREMIUM INGREDIENT CO.,LTD

sweetener: acesulfame K, aspartame, Saccharin sodium, calcium saccharin, stevia extract, erythritol, dextrose monohydrate/anhydrous, D-allulose, D-Mannitol, crystalline fructose, sorbitol powder, Resistant dextrin, xylitol, Fructooligosaccharides(FOS), Maltodextrin

acidity regulator: L/dl-malic acid, DL/L-tartaric acid, citric acid monohydrate, citric acid anhydrous, calcium citrate, fumaric acid, ammonium acetate, ammonium sulfate, sodium citrate dihydrate, lactic acid

preservatives: potassium sorbate, sorbic acid, sodium benzoate, calcium propionate, ammonium acetate, benzoic acid, sodium benzoate, calcium propionate,

Thickner: Xanthan gum

Leaving agent: sodium bicarbonate

Stablizer: microcrystalline cellulose MCC, CMC

phosphoate: full line (STPP, phosphoric acid, STMP, SHMP, MKP, MSP, DSP, TSP, SAPP, TSPP, DKP)

Sulfate: Magnesium sulfate anhydrous/heptahydrate, Ferrous sulfate Heptahydrate/anhydrous

Citrate: Magnesium citrate Nanohydrate, Magnesium citrate dibasic anhydrous, trimagnesium dicitrate anhydrous, trisodium citrate dihydrate, trisodium citrate anhydrous

Seasoning: Monosodium glutamate, Disodium 5'-ribonucleotides (IMP+GMP)

Vitamine: b1, b2, b6, b12, C, Erythorbic acid, sodium erythorbate, sodicum ascorbate,

Amino acids: l-amino acids full line, n-acetyl-l-cysteine/tyroine

arthrosis : Chondroitin sulfate, D-glucosamine Hcl, D-Glucosamine sulfate 2Nacl/2Kcl, N-Acetyl-l-glucosamine, sodium hyaluronate

Protein: Edible gelatin, collagen
