SOYABEAN

Product Specification

Product Description

The soybean is one of the richest and cheapest sources of protein and is a staple in the diets of people and animals in numerous parts of the world. The seed contains 17 percent oil and 63 percent meal, 50 percent of which is protein. Because soybeans contain no starch, they are a good source of protein for diabetics

Additional Information

Country of Origin Made in India

Minimum Order Quantity 20 Kg

Delivery Time	15-20 days
