**Exsan - Beyond Boundaries: Lubricants, Adhesives & Car Care**

Strengths in Manufacturing & Quality Assurance

## About Us

Our management team consists of Engineers, Research Chemists, Production Experts, Packaging Industry Experts, Standardization system implementers, Quality Assurance Professionals. This amalgamation of professionals from varied disciplines has brought together a wealth of unparalleled expertise, all under a single umbrella. So we can say we are a complete eco-system that has germinated & fostered many dozens of product developments over a period of 3 decades of painstaking work put in by our team.

Our years of work experience has enabled us to build a very strong portfolio of product formulations that exceeds over 200 variants of products that are under production with us.

## CAR CARE PRODUCTS

### Brake Fluids

At Exsan, we make exceptionally remarkable products with Highly Engineered Quality, Well Furnished Packaging, Lightning Fast Shipping & Unbelievable range of Shapes & Moulds exceeding more than 500 Moulds. Our product range in Brake Fluid are :

- DOT-3 • DOT-4 • DOT4-LV • Universal (covering the requirements of both DOT 3 and DOT 4) • DOT 5 • DOT 5.1

#### Brake Fluids Specifications / International Governing Standards

SAE J1703 • SAE J1704 • FMVSS 116 DOT 3 • FMVSS 116 DOT 4 • JIS JAPAN K2233  
• ISO 4925 Class 3 • ISO 4925 Class 4 • AS 1960.1-2005

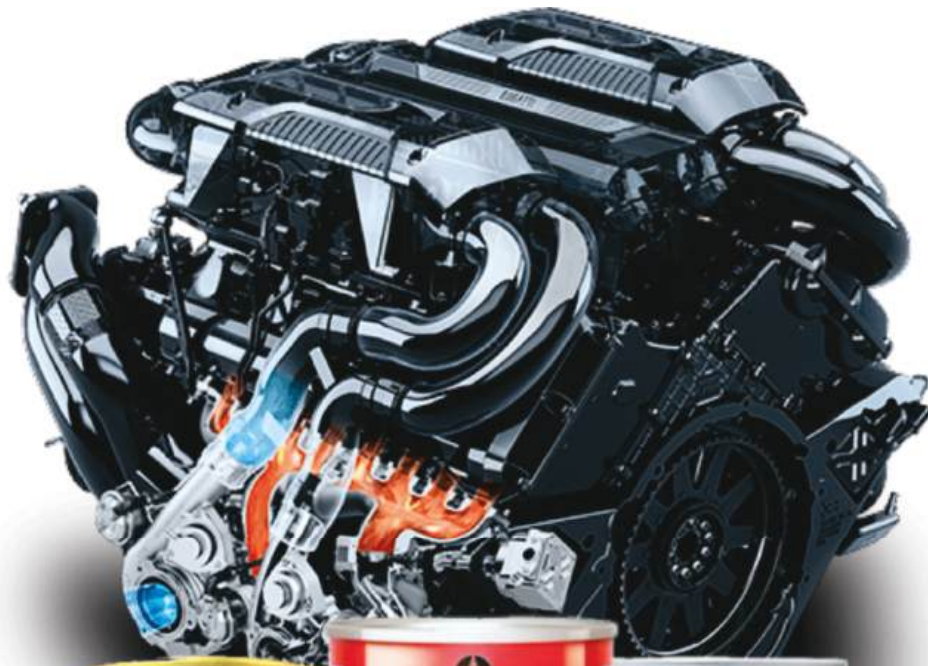

Suitable for all class of vehicles such as heavy vehicles, trucks, buses, multi axles, dumpers, military vehicles, and also cars. some examples of brands for which our brake fluids are suitable are:

BMW, Tesla, Ford, Chrysler, Mercedes, Audi, GM, Toyota, Lexus, Hyundai, Isuzu, KIA and Other Premium / Electric / Gasoline / Diesel Cars

## Engine Oil Treatment

Exsan's Engine Oil Treatment & Motor Honey Reduces Friction, Extends Engine Life, Helps Stop Oil Foaming for Better Lubrication & Protects Against Motor Oil Breakdown. It also allows the oil to maintain some of the most important lubricating properties to let the engine function at its best until the next oil change.

## Radiator Coolant

Exsan's Radiator Coolant / Antifreeze is specially designed with ANI advanced formula, which provides powerful cooling for passenger car engines, trucks and buses running under tough city driving conditions as well as heavy/light commercial vehicle engines. All Exsan Products are formulated with the latest technology of metal protection through OAT Additives and USADA certified Bio-Based Enzymes.

### Suitable for all Class of Vehicles :

BMW, Tesla, Ford, Chrysler, Mercedes, Audi, GM, Toyota, Lexus, Hyundai, Isuzu, KIA and Other Premium / Electric / Gasoline / Diesel Cars

**AntiFreeze Standards International** Exsan Brent Anti-Freeze Products Conforms to a Plethora of International Performance Standards Such As : ASTM D6210, ASTM D4985, ASTM D3306, BS 6580, NF R15-601, FVV HEFT R443, AS 2108, SAE J1034, uNE 26361, ONORM V5123, NC 956-16, TBS/CDC 17 (5216) P3, AFNOR NF R15-601, JIS K 2234, JASO M325, UDI, SEAT, SKODA G 12+, CHRYSLER MS 9176, CUMMINS 85T8-2, 90T8-4, DAF MAT 74002, FIAT CASE NEW HOLLAND MAT 3624, FORD ESE M97B49A - WSS M97B44D - ESD M97B49A, GM 1899 M, US 6277 M, Opel GM QL 130100, JENBACHER TA 1000-0201, JOHN DEERE JDM H5, KOREAN STANDARDS KSM 2142, LEYLAND TRUCKS LTS 22 AF 10, LIEBHERR MD1-36-130, MACK EC1, MAN 324 & MAN B&W D-36-5600, MAZDA MEZ MN 1210, MB 325.3, MTU MTL 5048, ÖNORM V 5123, PORSCHE ab Bj. 1996 bis 2010, RENAULT 41-01-001/-S Type D, SCANIA TB 1451, VW TL 774 F (G12+), TL 774 D (G12).

# ADHESIVE AND SEALANT PRODUCTS

## Gasket Shellac

For over 50 Years Gasket Shellac has been the "Go To" Product for all the Engineering & Industrial Professionals for every kind of "Flange Joint Leak Sealing Application" whether it is Automotive OR Industrial OR Pumping Systems and all such conceivable applications. Exsan Gasket Shellac has been in Service for well over 3 Decades now Across the Globe with enduring service and trouble free highly dependable usage. Exsan happens to be the Biggest Manufacturer of Gasket Shellac Compound and is being produced for close to 25 Brands Across the Globe.

Exsan Gasket Shellac is a Homogenous Viscous Bonding Solution made of Guamese Grade Rosin as the Active Ingredient and a Tackfying Resin Carefully dissolved in Suitable Combination of Solvents and added with half a dozen performance enhancing Additives. This product complies to all the ASTM Standards of Quality Assurance. You need to look no further when it comes to Flange Joint Leakage Sealing Purposes.

## Solvent Cements

Exsan has been an leading Manufacturer & Exporter Range of Solvent Cements for PVC, UPVC, CPVC, ABS pipes. We ensure the Best Quality, Failure Proof Jointing, Customized Design & Premium Packaging.

# Exsan Brent Car Care Chemicals & Polymers

Car Detailing & Caring for your Car / Vehicle is essential to ensure its longevity and to maintain its Appearance as also Troublefree Performance for Years to come. Exsan does produce a plethora of Car Care Chemicals & Polymers of Super Pure Quality Standards. Here's a guide to some of the essential car care products that will keep your vehicle in top condition. Exsan produces many Car Care Chemicals and Polymers Such as: Engine Oil Treatment, Motor Flush, Motor Honey, Power Steering Fluids, Octane Boosters, Radiator Subpolar Antifreeze, Radiator STOPLeak Powders, Fuel Injector & Carb Choke Cleaners, Ceramic Brake Lubricants, BOILStop Coolant Liquids, Gasket Shellac, Valve Grinding Paste, High-Speed Chain Lubricants ETC ETC. We encourage you to ask us to produce any of these range of products in your own Brand and Packaging and we will do a delightful work for you. Kindly talk to our Engineers and let us kickstart a whole new range of solutions for you and your valuable markets.

# Our Flagship Brands

Brent®, Exsan®, Lubemaster®, Texxol®, Dexsol®, Indogulf®, Eurogulf®, Motolube®, Autolube®, Mexaco®, Sandoil®, Dexrol®, Alphaco®, OPEC Lube®, Tecoil®, Lake Lube®, Trevnoil®, Detrol®, Global Super Star®.

## Exsan ALL Products List

Currently Under Production

Automotive Gasket SHELLAC | Brake Fluids | Clutch Function Fluids | Motor Flush | Motor Honey  
Engine oil Treatment | Power Steering Fluids | ATF DEXRON (4, 5, 6 ONLY) | Radiator Antifreeze Liquids  
Radiator Boil | STOP Coolant Liquids | Octane Boosters | Radiator STOP LEAK Powder | Radiator STOP  
LEAK Liquids | Radiator Flush | Fuel Injector Cleaner | Power Steering Flush | Diesel Injection  
Fuel Tank Water Remover | PAG Oils like SUNISO Synthetic | Valve Grinding Paste | Brake Ceramic Lubricant  
Tyre Puncture-proof Sealant | High Speed Chain Lubricant

And Many More Such Types of Products.....

## Our Specialization / Our USP's

1. In-House Plastic Bottle Manufacturing Machines which makes us faster than others in Plastic Bottle Production.
2. In-House Metal Can Manufacturing Unit which makes us deliver better quality Metal Cans.
3. Not getting your version of bottle or can? We at Exsan have more than 200 Moulds, Dies, Pillar Sets for 300+ shapes and 1000+ Designs of Plastic Bottles and Metals Cans for you to choose from.
4. Dedicated team of 3 people for all your Design needs and Creativity for Marketing.
5. We at Exsan Understand You Better since we have our own people translating Languages such as Spanish & French.

We are a FULL SPEC - FULL FUNCTION Car Care Fluids & Car Care Polymer Products Manufacturing HUB. YES, Our Range is very wide which covers over 400 Products and so you and Exsan can Together do a World of Solution Creation for the entire Industrial Atmosphere.....
