TECHNOSERVE INDUSTRIES

Company Introduction

Company Presence & Credential

Established and successfully started operations in 2012 - 13 and having registered Office in Mumbai, Maharashtra, INDIA. Company has obtained all necessary Statuary compliances Under Indian companies Act.

Company Background

Nazim Shaikh

'**Technoserve Industries**' is established by Experienced, Qualified Mechanical Engineer **Mr. Nazim Shaikh**, Idea of forming the company is to give Cost Effective Technical Services, Spare Parts Management & Manufacturing of Equipments to all Engineering, Project & Food related Industries across the world.

Having rich Experience of 20 years in Operation, Maintenance, Projects, and Green Field Projects in Domestic as well as International level.

Technoserve is capable enough to give Spares Solutions in Steel

Long Products - SMS, CCM & Hot Rolling, **Flat Products** 2HI, 4Hi, 6Hi Cold Rolling Mills, Galvanizing Line, Color Coating Lines, Slitting Lines, Cut to length line and other processing equipments, Aluminium (Melting & Rolling), Copper / Brass (Melting & Rolling), Plant Utilities (Compressor, Generator, Oxygen/Nitrogen Plant), Biscuit Industries, Hydraulic System and Supply of A4 Copy Paper.

Nature of Business

Technoserve is International Engineering Merchant Export firm having interest in Supply of Spare Parts, Consumables for Metal Industries, Hydraulic System, Food Industries, A4 Copy Papers Worldwide.

We can take Complete Operations of SMS, Project Erection & Commissioning, Supply of qualified manpower.

We have also Stock of Used Conditioned Plant & Machinery for Metal Melting & Rolling across India at reasonable price.

Strength

Capabilities of identifying & Supply of Right Products at Right Time with Assured Quality .

Collaboration

Company is taking various efforts in making collaboration with Quality Manufacturers and Suppliers across the World to serve their Client at the most Cost Effective way.

Major Clients

Technoserve is having Clients across the Middle East & Africa, Asian.
