MANUFACTURER & EXPORTER

About Us :

Tattheer international is a leading manufacturer of karting and motorsports apparels & gears. We were established in 2008 and Leading manufacturer of karting and motorsports apparel in Sialkot, Pakistan. We use the same high-quality materials and construction methods as the leading manufacturers of FIA and SFI certified products.

We are committed to providing our customers with the highest quality products and services. Our team of skilled workers work tirelessly to design and produce innovative new products that meet the demands of the market. We also offer a wide range of customization options to meet the specific needs of our customers.

Our Values :

At Tattheer international, we believe that safety is paramount. Our products are designed and manufactured to the highest safety standards to protect your racers from harm. We also believe in quality over quantity, and we are committed to provide you with the best possible products and services.

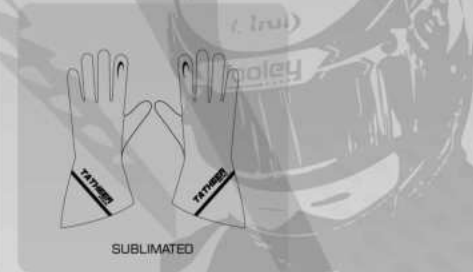

Our Products :

We offer a wide range of karting and motorsports apparels & gears, including:

- Karting suits
- FR racing suits
- Undergarments
- Racing Gloves
- Racing Boots
- Body Protectors
- Balaclavas
- Kart covers
- Knee pads
- Bags
- Jackets
- and others

Product Customization :

We offer a wide range of customization options to meet the specific needs of our customers. Whether you need a simple logo embroidered on your suit or a fully custom-designed racing suit, we can help you create the perfect look for your team or individual needs.

We work with our customers to understand their specific requirements and then create a design that meets their expectations. We offer a variety of different customization options, including:

- Embroidery
- Printing
- Custom packing
- Sublimation
- Custom colors

We can also create custom designs for other items, such as gloves, boots, bags, kart covers, and others.

Our customization team is experienced and skilled, and they are dedicated to providing our customers with the highest quality products. We use the latest technology and equipment to create custom designs that are both stylish and durable.

If you are interested in customizing our products with your logo or design, please contact us for more information. We would be happy to discuss your specific requirements and provide you with a quote.

KEVLAR RIB PROTECTOR

Carbon Kevlar Rib Protector made in two variants. Original Kevlar & Artificial Kevlar. The difference in these Rib Protector is resistance. Original Kevlar Rib Protector is more resistible as compare to artificial Kevlar. Protective panels formed from carbon fiber that are designed to flex around the driver and absorb and distribute shock. A lightweight, thin overall design to increase comfort and usability. Stronger reinforced buckles and better shock-absorbing foam. Custom logo can be embroidered or woven label printed.
