

## Dog Fighting Stopper

**AN-B009**

### Description of Products

1. With Strong Ultrasonic + Alarm + Strong Flashing to Keep Strange Dog Away or Stop Dog Fighting.
2. Flashing Light: Bright LED Flashlight For Night.
  - Effective Range: 50 Feet
  - Ultrasonic Frequency: 25kHz
  - Alarm Sound Pressure: 80-130dB
  - Power: 1 X 2000mAh Lithium Rechargeable Battery
  - Charge: TypeC-input(Cable not included)

### Function

- Ultrasonic: Strong Ultrasonic To Scare Strange Dog.
- Alarm: Strong Sonic To Scare Strange Dog.
- Flashlight: Strong LED Flashlight.

## Electric Snail/Slug Fence

**AN-C600**

### Description of Products

1. Parallel conductive strips on fencing tape create a barrier for slugs in gardens. If a slug touches both strips, a brief current flows.
2. The 20 Volts is low enough to only cause a tingling sensation, not harming slugs or any other animals or humans.
3. The tape sticks to many surfaces and can be cut if needed.
4. Two LED lights show battery and power status.
5. One power unit can run multiple beds using connectors.

### The Packing Details

Box Size	12X6.3X12CM	QTY	24 PCS
N.W.	7.8 KGS	G.W.	8.6 KGS
MEAS	37.5X26X26CM		

## 360° Solar Animal Repeller

**AN-B899**

### Description of Products

The 360° Solar Animal Repeller uses PiR sensors to detect unwanted animals/birds, and then emits ultrasonic waves and flashing to scare them away.

### The Packing Details

Box Size	14.5X8.7X9.2CM	QTY	48 PCS
N.W.	13.2 KGS	G.W.	14.2 KGS
MEAS	54X30.5X39CM		

## Multifunctional Rechargeable Mosquito Swatter

**AN-C800**

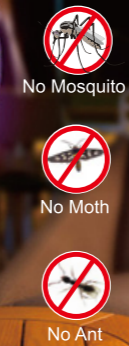

### Description of Products

- 1/ Split structure design, save shipping cost, especially the shipping cost from warehouse to end-users.
- 2/ Battery Removeable, extend the product's life time.
- 3/ Dual function: Active(swatter) and Passive(bug zapper) mosquito control function.
- 4/ Multi-functional stander(bottom stander with the structure with could be used as stander for smart phone, pad etc.)
- 5/ Universal Type-C charging jack.

### The Packing Details

Box Size	14.5X8.7X9.2CM	QTY	48 PCS
N.W.	13.2 KGS	G.W.	14.2 KGS
MEAS	54X30.5X39CM		

## Sprinkler Animal Repeller

**AN-B061**

### Description of Products

1. Multifunctional Sprinkler Animal Repeller repels deer, raccoon, rabbits, dogs, cats, birds, possums and other animals from gardens, lawns, pond and landscaped areas without hurting them.
2. When the unwanted animals enter into the PIR area, it will sprinkle water through the cyclone nozzle to scare them away.
3. Works day and night without chemicals, safe and easy-to-use alternative to chemical repellents and electric fences.

### The Packing Details

Box Size	22X7.5X20CM	QTY	6 PCS
N.W.	5.5 KGS	G.W.	6.5 KGS
MEAS	47X23.5X22CM		

## Car Marten/Animal Repeller

**AN-B028**

### Description of Products

Car Underhood marten/animal repeller, use ultrasonic and strong flashing keep unwanted animal such as marten, mouse, squirrel away from your car.

## Outdoor Animal Repeller

- AN-B030** Solar Animal Repeller
- AN-B030-2** Battery Animal Repeller With Mirror
- AN-B030-3** Battery Animal Repeller

Patend No.: ZL 2013 3 0300821.9

### Description of Products

The Solar Animal Repeller is an effective way to help rid your garden of uninvited animal visitors. It combines a sophisticated PIR detection system that detects movement and triggers short bursts of powerful ultrasonic waves and flashing strobe lights to repel animals.

Effective distance: till max 8m  
Detecting angle: 110°

### Feature of products

- AN-B030, it is powered by solar energy and 3 XAA rechargeable batteries (Included). And if there are many raining-days, customer can use the USB cable to charge it.
- AN-B030-2, it is powered by 3X AA dry batteries(Not included). On the top of the product, it is with a Mirror, which use light refraction and reflection principle to drive animal away.
- AN-B030-3, it is powered by 3X AA dry batteries(Not included).

### The Packing Details

Box Size	11.4X7.5X14.8CM	QTY	24 PCS

## Battery Animal Repeller

### AN-B050

### Description of Products

- A strong ultrasonic signal frighten animals. Thus, animals can not get used to the sound, and the effect of repellent is stronger, frequency from 13.5 to 23.5KHz.
- The strong flashing will scare the animals away, especially at night time.
- Switch from 0 to 3 for different working modes:
  - 0: OFF
  - 1: working 5 seconds, interval 1 minutes
  - 2: working 5 seconds, interval 2 minutes
  - 3: working 5 seconds, interval 3 minutes
- With back hole for wall mounting or stick it into the soil with aluminum spike.
- Powered by 3\*AA batteries or 5V DC adaptor or USB cable (can choose the length according to different requirements )

## Voice Control Bark Control With Ultrasonic

### AN-B050P

### Description of Products

- A strong ultrasonic signal frighten animals. Make the animals leave the area because of the unpleasant ultrasonic sound. The frequency is variable. Animals can not get used to the sound, and the effect of repellent is stronger.
- With PIR sensor, the sound would be activated when an animal enters the protective range.
- Switch from 0 to 3 for different working modes:
  - 0: OFF
  - 1: working 5 seconds, interval 1 minutes
  - 2: working 5 seconds, interval 2 minutes
  - 3: working 5 seconds, interval 3 minutes
- With back hole for wall mounting or stick it into the soil with aluminum spike.
- Powered by 3\*AA batteries or 5V DC adaptor or USB cable (can choose the length according to different requirements )

## Sonic Sensor Bark Controller

### AN-B050V

### Description of Products

- As a high-tech product, this dog bark aim at driving the unwanted dogs, cats etc from protecting the area.
- An internal microphone picks up the sound and the unit is automatically activated.
- The product emits an unpleasant ultrasonic sound and strong flashing as soon as the animals barking. When the dog stops barking the ultrasonic sound and strong flash also stops.
- Switch from 0 to 3 for different working modes:
  - 0: OFF
  - 1: The device emits an ultrasonic
  - 2: The LED light will be flashing to repel the animals
  - 3: The ultrasonic and flashing work together
- With back hole for wall mounting or stick it into the soil with aluminum spike.
- Powered by 3\*AA batteries or 5V DC adaptor or USB cable (can choose the length according to different requirements )

## Multifunctional Animal Repeller

**AN-B010-1**

Patend No.: ZL 201030220415.2

### Description of Products

The device uses microcomputer control circuit, emits ultrasonic, strong flash, high-decibel sound waves to drive away animals (such as cats, dogs, birds, foxes, mice, etc.), the device has 5 working modes, you may select it according to different environmental needs.

1. Ultrasonic + Alarm + Flashing.
2. LED Flashing.
3. Ultrasonic + Alarm.
4. LED lighten, last 30 seconds, Above all 4 modes are triggered.
5. 24 hours long time ultrasonic (without trigger, without passive infrared).

### The Packing Details

Box Size	10.5X10.5X19CM	QTY	24 PCS
N.W.	11 KGS	G.W.	12 KGS
MEAS	43.5X33X39.5CM		

## Ultrasonic PIR Bird Repeller

**AN-B011-1**

Patend No.: ZL 201030220428.X

### Description of Products

The Ultrasonic PIR Bird Repeller can automatically play ultrasonic wave to frighten, annoy, and intimidate birds, pigeons and other bird pests, let them away from balconies, decks, terraces and other places where birds create a mess.

1. More than 70 square meter large passive infrared area, 110 degree large passive infrared area angle.
2. Power supply by 4x(D(R20) battery, can provide long working time.
3. Waterproof design, convenient for outdoor use.

### The Packing Details

Box Size	9X7X56.2CM	QTY	24 PCS
N.W.	10.6 KGS	G.W.	11.6 KGS
MEAS	57.5X44X39CM		

## Multifunctional Solar Animal Repeller

**AN-B869**

### Description of Products

1. A strong ultrasonic signal frightens animals. The animals avoid the area because of its unpleasant ultrasonic sound. The sound is activated when an animal enters the range. Thus, animals cannot get used to the sound, and the repulsive effect is stronger.
2. A strong flashing scared animals. The strong flashing is activated when an animal enters the range, then the animals will be scared and give back.

### Button "FREQ" Position:

- 13.5kHz-17.5kHz Repels animals such as mice, small rodents ...
- 15.5kHz-19.5kHz Repels animals such as large dogs, foxes ...
- 19.5kHz-23.5kHz Repels animals such as small dogs, cat, bird, bat ...
- Strong flashing
- All function working, sweep frequency from mode 1 -- mode 2 -- mode 3, and turn on strong flashing

### The Packing Details

Box Size	10.2X7.2X14.8CM	QTY	24 PCS
N.W.	8.5 KGS	G.W.	9.5 KGS

## Long-Range Passive Infrared Animal Repeller

**AN-B011** Sonic Animal Repeller

**AN-B011-2** Animal Repeller with sonic and vibration (double function)

**AN-B011-3** Animal Repeller with ultrasonic and vibration(double function)

Patend No.: ZL 201030220428.X

### Description of Products

1. Power supply:4"R20"batteries.
2. Model AN-B011: The sonic animal repeller can automatically play sound to frighten, annoy, and intimidate birds, pigeons, fox, boar and other pests.
3. Model AN-B011-2: This model have double function which can emit sonic and vibration(The vibrating motor is settled in the bottom of the tube. can effect some animals those live in the underground.) to repel animals and meanwhile can repel the underground rodents and moles.
4. Model AN-B011-3:This model have double function which can emit ultrasonic and vibration to repel animals and meanwhile can repel underground rodents and moles. This model can be used for a guard for garden and your backyard and other places need to be keep quiet. Ultrasonic Frequency:13.5 until 23.5 kHz interval in 3 settings.
5. it will drive them away from your garden, manor, decks ,orchard and other places where the animals frequently appear.
6. You could choose different models for different environment.

### Technical data

1. Passive infrared range: 70 square meter
2. Passive infrared degree: 110 degree
3. Output sound pressure: 110 dB

### The Packing Details

Box Size	56.2X9X7CM	QTY	24 PCS
N.W.	10.6 KGS	G.W.	11.6 KGS
MEAS	57.5X44X39CM		

## Multifunction Super Strong Pest Repeller

**AN-B081**

Patend No.: ZL 201020119147.X

### Description of Products

1. The Multifunction super strong pest repeller, intense, variable pitch ultrasonic and sonic soundwaves that create a noisy, hostile dynamic sound environment. The noise is intolerable to pests vet friendly to pets and humans, safe for use indoor and outdoor, and at farms, warehouses, homes and more. Weather-resistant housing.
2. Works great for controlling mice, rats, moles, bats, raccoon, squirrels, insects, pest...etc
3. Repeller with LED light to make it more effective.
4. Power supply can be selected with USB cable, 3xAA batteries, or connect solar panel.

### The Packing Details

Box Size	17.6X10X9.2CM	QTY	24 PCS
N.W.	7 KGS	G.W.	8 KGS
MEAS	41.5X36.7X28.6CM		

## Rotatable Animal Repeller

**AN-B879**

### Description of Products

1. A strong ultrasonic signal frightens animals. The animals avoid the area because of its unpleasant ultrasonic sound, The sound is activated when an animal enters the range. Thus, animals cannot get used to the sound, and the repulsive effect is stronger.
2. A strong flashing scared animals. The strong flashing is activated when an animal enters the range. then the animals will be scared and give back.

### The Packing Details

Box Size	16X13.7X9.5CM	QTY	24 PCS

## Outdoor Animals Repeller

**AN-B040**

Patent No.: ZL 200920204494.X

### Description of Products

When the animals come into protection areas of the device, the device will emit high frequency ultrasound and strong flash, alarm, fowls & beasts sounds, making animals feel sick and panic then run away from the ultrasonic range. With variable frequency can prevent the immunity of the animals, to achieve better effect.

- Power supply by solar energy, 3 \* AA rechargeable batteries.
- PIR+ultrasonic+strong flash light +Alarm+Fowls & beasts sounds.
- Lighting function: when required, LED lights can continuously keep working for dozens of hours.
- Aluminum tube, waterproof 5V adapter to recharge.

### The Packing Details

Box Size	17.8X14.8X12.4CM	QTY	12 PCS
N.W.	7 KGS	G.W.	8 KGS
MEAS	55.4x31.6x27.8CM		

## Multifunctional Solar Animal Repeller With Two Side

**AN-B080** International Patent No.: 003518687-0001

### Description of Products

1. When animals enters the protected area. The product then emits a strong Ultrasonic sound and LED flashing which frightens, irritates and annoys the intruding animal.
2. At the bottom of the device you will find a three way switch.  
Mode I: OFF  
Mode II: Strong ultrasonic wave and flash, 24 hours of work  
Mode III: Strong ultrasonic wave is 24 hours of work, flash is added automatically light control function, just work at night.
3. Powered by a separate adjustable solar panel and 3X AA size rechargeable batteries or 5V main adaptor.
4. Sweeping frequency from 17-27 KHz.
5. Detection range: 8 to 9 meters.

### The Packing Details

Box Size	12.3X11.4X14.2CM	QTY	24 PCS
N.W.	12.1 KGS	G.W.	13.1 KGS
MEAS	47.5X26X45.5CM		

## Solar Energy Sprinkler Animal Repeller

**AN-B060** Patent No.: ZL 201330475030.4

### Description of Products

This device is applicable to outdoor gardens, orchard, nurseries etc. When the uninvited animals enter into the PIR area, it will sprinkle water through the cyclone nozzle and emit strong flash light to repel the animals.

- Powered by Solar Energy, with 3\*AA rechargeable batteries
- Two aluminum tubes general water pipe, easy and convenient to install.
- PIR sensor angle: 120°.
- Adjustable Sensitivity.

### The Packing Details

## Solar Mole Repeller With LED Light

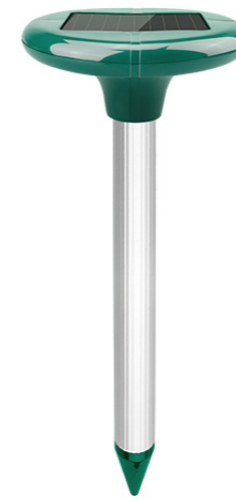

**AN-A316B** Design Patent: ZL 2009 3 0168653.0  
Function Patent: ZL 200920204494.X

### Description of Products

1. By emitting sound waves, the Solar Mole Repeller drives away underground rodents very effectively. The sound waves will irritate them, simulate danger, and repel them away from the irradiated area.
2. Applicable to outdoor gardens, nurseries, lawn and other surface and underground flooding rat.
3. Powered by solar energy, energy-saving maintenance-free, for the green environmental protection product. One day in the sun exposure for four rainy-day working.
4. Unique materials plus UV, anti-ultraviolet, will not change color.
5. The LED light with AEI (Automatic Identification system) will power on when less light and continue work 4 hours, brighten your garden in the same time do not interfere with the wok for repelling moles.
6. Range:625 sq.m.

### The Packing Details

Box Size	31.5X15.5X9.5CM	QTY	10 PCS
N.W.	4.7 KGS	G.W.	5.2 KGS
MEAS	49X32.5X32.5CM		

## Solar Mole Repeller Mole Chaser

**AN-A316** **AN-A313**

### Description of Products

1. By emitting sound waves, the Solar Mole Repeller drives away underground rodents very effectively. The sound waves will irritate them, simulate danger, and repel them away from the irradiated area.
2. Applicable to outdoor gardens, nurseries, lawn and other surface and underground flooding rat.
3. Power supply by solar energy, energy-saving maintenance. free, for the green environmental protection product. One day in the sun exposure for four rainy-day working.
4. Unique materials plus UV, anti-ultraviolet, will not change color
5. Range:625 sq.m.

Solar panel power: 4V/45MA  
Solar panels Dimensions:70X90mm  
Rechargeable Battery:1X1.2V/800mAH"AA"Ni-Cd or Ni-MH  
Material: ABS & Aluminum  
Height: 340mm(AN-A316) 430mm(AN-A313)

### The Packing Details

#### AN-A316

## Solar Mole Repeller / Lawn Rat Controller

**AN-A315**

### Description of Products

1. Effective range of 625m<sup>2</sup>, that is with radius of 25m.
2. Completely no chemical pollution but pure physical work principles.
3. Strengthening waterproof functions via speical appearance design and waterproof rings in all interfaces.
4. Special purpose design of effective acoustic waves for every 45~50 seconds, each sound lasts for 3 seconds.
5. 400 Hz acoustic waves emmitted by a special audible device can stimulate the rodents and drive them away.
6. Own patents of high effectiveness of sunlight absorption and storage, the device could work all round clock normally in cloudy and rainy days, which overcomes the defect of solar energy.
7. Without big batteries but solar photovoltaic battery installed inside absorbs sunlight and convert into electrical energy for storage and application. More energy saving and environmental friendly.

### The Packing Details

Box Size	31.5X15.5X9.5CM	QTY	10 PCS
N.W.	5 KGS	G.W.	6 KGS

## Frequency Conversion Solar Mole Repeller

**AN-A316C**

### Description of Products

1. By emitting sound waves, the Frequency Conversion Solar Mole Repeller drives away underground rodents very effectively. The sound waves will irritate them, simulate danger, and repel them away from the irradiated area.
2. Power supply is solar energy, energy-saving maintenance-free, for the green environmental protection product. The Solar Mole Repeller radiates in all directions. One day in the sun exposure for four rainy-day working
3. Unique materials plus UV, anti-ultraviolet.
4. With variable frequency can prevent the immunity of the moles.

## Solar Light Pest Repeller

**AN-A316F**

Patend No.: ZL 201320621302.1

### Description of Products

By emitting sound waves & vibration, the Solar Mole Repeller drives away underground rodents very effectively, The sound waves will irritate them, simulate danger, and repel them away from the irradiated area. It is applicable to outdoor gardens, nurseries, lawn and other surface and underground flooding rat.

Powered by solar energy, energy-saving, maintenance-free, green environmental protection product.

LED lights are embedded in the device, LED light with Automatic Identification System will power on when less light, and shed the lights around the product through unique design, decorate your living environment. Different LED colors choice.

With multifunctional slide switch, three operating modes for choose

I: Vibrate only on

0: Power off

II: Vibrate on, Light ON at sunset

## Solar Light Mole Repeller With Frequency Conversion

**AN-A316FC**

### Description of Products

The device can change the working frequency, working as follows:

First two days, it will sound like "Di" long for 3-5 seconds, interval 50 seconds or so;

Second two days, it will sound like "Di Di Di" in 3-5 seconds, interval 50 seconds or so;

Third two days, it will sound like "Di Di Di Di Di" in 3-5 seconds, interval 50 seconds or so.

Three Operating Modes

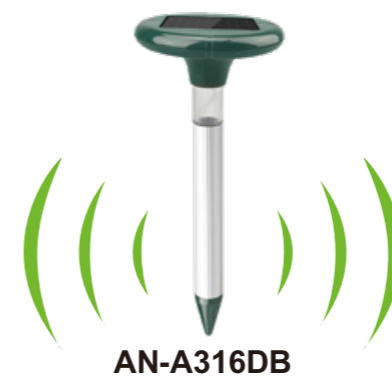

I: Frequency Vibrate on.

0: Power off

II: Frequency Vibrate on, Light ON at sunset

### The Packing Details

Box Size	31.5x15.5x9.5CM	QTY	10 PCS
N.W.	4.5 KGS	G.W.	5 KGS
MEAS	49X32.5X32.5CM		

## Solar Powered Mole Repeller With Battery Case

**AN-A316D** Solar mole repeller with battery case

**AN-A316DB** Solar mole repeller with battery case and LED light

**AN-A316DC** Frequency conversion solar mole repeller with battery case

### Description of Products

1. By emitting sound waves, the Solar Mole Repeller drives away underground rodents (moles, voles ect) very effectively. The sound waves will irritate them, simulate danger and repel them away from the irradiated area.

2. Applicable to outdoor gardens, energy-saving maintenance-free, for the green environmental protection product. One day in the sun exposure for four rainy-day working.

3. Effectived range: 650sq.m.

### Feature of products

1. Model AN-A316D: Solar mole repeller with battery case which is easy for changing the batteries when in the conditions without any sunshine can supply the power to the device.

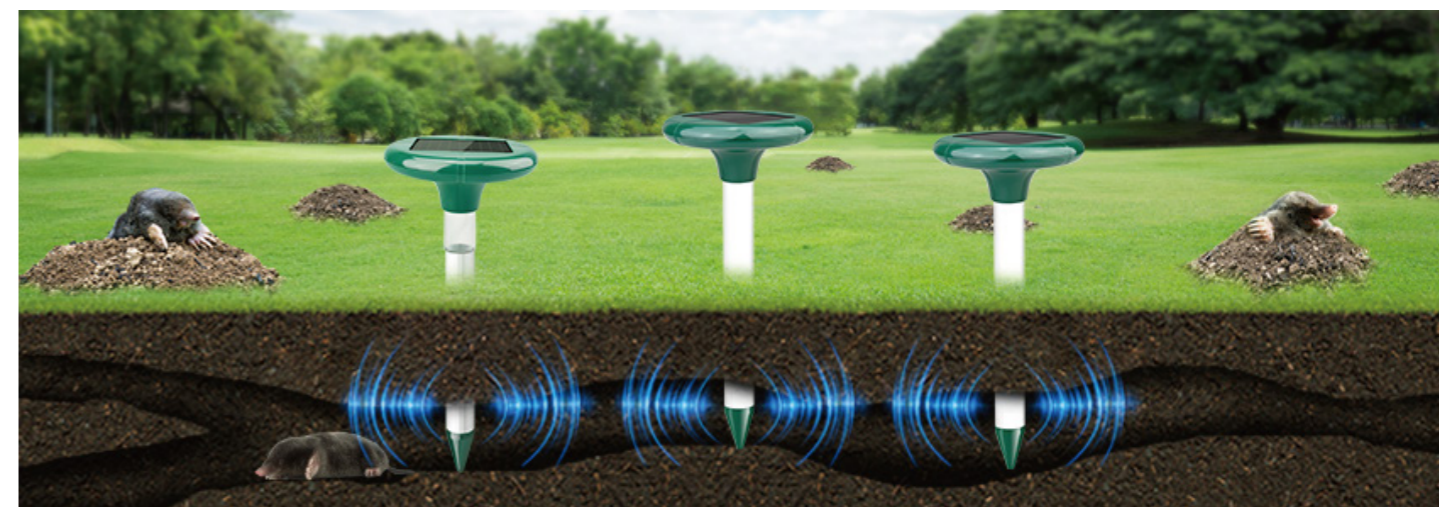

2. Model AN-A316DB: Solar mole repeller with battery case and LED light (double function). The design of Led light with the AEI (Automatic Identification System) will power on when less light and continue work for 4 hours, brighten your garden in the same time do not interfere with the work for repelling mole.

3. Model AN-A316DC: Solar mole repeller with battery case and variable frequency. the variable frequency performed as list: First two days, it will sound like "Di" long for 3~5 seconds, interval 50 seconds or so Second two days, it will sound like "Di Di Di" in 3~5 seconds, interval 50 seconds or so, Third two days, it will sound like "Di Di Di Di Di" in 3~5 seconds, interval 50 seconds or so.

4. You could choose the different model according to the different environment.

## Mini Mole Repeller

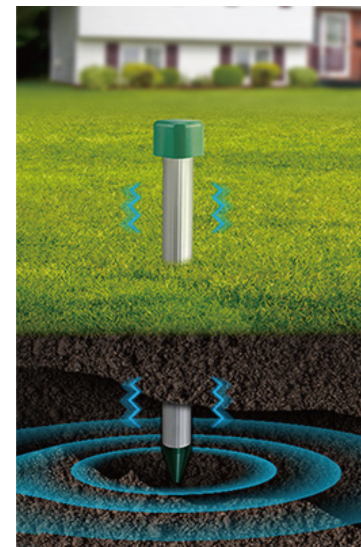

**AN-A308**

### Description of Products

Sonic + Vibrating Drive  
 Continuous 24 hours operation per day  
 No chemical, no poison, eco-friendly  
 IPX4 Waterproofed  
 Frequency:400~1000HZ  
 Power supply:2\*D(R20)batteries  
 Effective range:625 square meter  
 Size:5.7X5.7X25CM

### The Packing Details

Box Size	6x6x26CM	QTY	48 PCS
N.W.	11 KGS	G.W.	12 KGS
MEAS	38X27.5X51CM		

## Battery Mole Repeller

**AN-A309**

### Description of Products

1. Use against moles, voles&other burrowing animals. Emitting low frequency sound, which vibrates the ground in a circular pattern.
2. The vibration will be blocked by solid objects, such as building foundations.
3. Cover extends in a circle from the unit.
4. Covers up to 625 square meters.
5. Superior aluminum casing with durable plastic (head & top).
6. Power supplied by 4\*AA cell(1.5v) batteries, up to 2-3 months working.
7. \*Battery slot included, you can easy to change the batteries without pulling the whole product out of the ground, it's more convenient.

### The Packing Details

Box Size	5X4X36CM	QTY	60 PCS
N.W.	9.5 KGS	G.W.	10.5 KGS
MEAS	53.5X37.5X27CM		

## Sonic Mole, Voles, Gophers Repeller

**AN-A310**

### Description of Products

Sonic + Vibrating Drive  
 Continuous 24 hours operation per day  
 No chemical, no poison,eco-friendly  
 IPX4 Waterproofed  
 Frequencyrange:400-1000HZ  
 Power supply:4\*D(R20)batteries  
 Effective range:800 square meter

## High Powered Mole Repeller With Motor-Vibrating

**AN-A312-V**

Patent No.:ZL 201120030149.6

### Description of Products

1. Use against moles,voles&other burrowing animals.
2. With double functions,can not only emit the low frequency sound imitated cry of cat,but also with motor-vibrating, working mode as follows: the buzzer works every 3 seconds then interval 30 seconds,after 10 times cycle the motor begin to vibrate app 3 seconds, interval 30 seconds.
3. The motor vibrate powerfully &flashily, can emit so far that frighten mice.
4. Cover extends in a circle from the unit.

### The Packing Details

Box Size	6X6X42.5CM	QTY	20 PCS
N.W.	5.6 KGS	G.W.	6.6 KGS
MEAS	43X32X26CM		

## New Designed Mole Gopher Rodent Repeller

**AN-A216**

### Description of Products

By emitting sonic waves, the Solar Mole Repeller drives away underground rodents effectively. The sonic waves will irritate them, simulate danger, and repel them away from the irradiated area. Sonic waves will be emitted and last for 3-5 seconds every 40 seconds or so, the Solar Mole Repeller will cover an area of 650 square meters.

The Solar Mole Repeller covered all directions. Avoid any obstruction and let the sonic waves be emitted freely. To make the best use of the product, we strongly recommend an installation of 2 devices at every 30 meters for ground areas frequented by rodents, or just install the device by the sides of "mountains".

### The Packing Details

Box Size	9.5x7.5x28.5CM	QTY	20 PCS
N.W.	6 KGS	G.W.	6.8 KGS
MEAS	40X30X40.5CM		

## Solar Snake Repeller With Colorful LED Light

**AN-A816** Patent No.: ZL 2009 3 0168653.0

### Description of Products

1. This Deterrent & Repeller repels various snakes with ground-pulsing vibrations, which snakes interpret as a threat and retreat from.
2. Powered by solar energy, fully exposed one day in the sun can supply 3-4 rainy day's working.
3. Colorful LED Light for you to choose: you can choose the color you want to decorate your garden.
4. The LED light, managed by an Automatic Identification System, turns on in low light and stays bright for 4 hours without disrupting snake repellent functions.
5. Unique material plus UV: Anti-ultraviolet, the color of transparent shell will not fade.

### The Packing Details

Box Size: 31.5X15.5X9.5CM / QTY.: 10 PCS / N.W.: 4.5 KGS / G.W.: 5 KGS / MEAS.: 49X32.5X32.5CM

## Battery Snake Repeller

**AN-A309S**

### Description of Products

1. Using against several kinds of snakes. Emitting low frequency sound waves and vibration to repel snakes effectively.
2. Superior aluminum casing with durable plastic head & top
3. Powered by 4\*AA batteries.
4. Battery slot included, you can change the batteries easily without pulling the whole product out of the ground. It's more convenient.
5. Effective Range: 625m<sup>2</sup>.

### The Packing Details

Box Size	5X4X35CM	QTY	60 PCS
N.W.	9.5 KGS	G.W.	10.5 KGS
MEAS	53.5X37.5X27CM		

## Double Function Snake Repeller With Motor-Vibrating

**AN-A312-VS**

### Description of Products

1. By emitting sound waves and strong vibration, the device can repel snakes effectively.
2. Safe to children and pets.
3. The motor vibrate is more powerful.
4. Powered by 4\*D batteries. Battery slot included, you can change the batteries easily without.
5. Effective Range: 625m<sup>2</sup>.

## Multi-functional Electronic Pest Repeller

**AN-A533**

### Description of Products

1. Generates a powerful high pressure sound inaudible to humans and pets, yet as loud as a siren to insects and rodents. Pests get pounded by the daunting sound and flee.
2. Surges digitally-processed magnetic vibrations through the wiring deep within your walls where pests nest and breed. Transforms your home into an uninviting, hostile environment for pests. Electromagnetic activates in 180 seconds intervals. (Activates for 180 seconds then shuts off for 180 seconds.) Red indicator light blinks while being activated.
3. The energy-conserving blue LED night light automatically illuminates dark corners and hallways with a soft glow.

### The Packing Details

Box Size	7.5X7.5X12.5CM	QTY	48 PCS
N.W.	7 KGS	G.W.	8 KGS
MEAS	32X32X40CM		

## Electromagnetic Rat Repeller

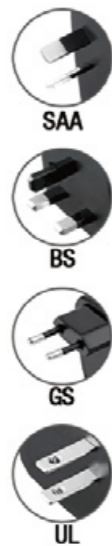

**AN-A620**

### Description of Products

1. It works by electromagnetic wave, transmitted along the wire then spread to the whole room (including the ceiling, because the ceiling usually have cord).
2. There are three kinds of plug (GS UL, BS, SAA) to choose from.
3. Not only can this product drive mouse away, but also have good function of repelling cockroaches ants, fleas, spiders, centipedes.
4. Equipped with a green lighting can be used at night, also can attract mosquito.
5. Effective range: 230 square meters.

### The Packing Details

Box Size	7.5X7.5X12CM	QTY	60 PCS
N.W.	8 KGS	G.W.	9 KGS
MEAS	39.5X37.5X32CM		

## Multifunctional Pest Repeller

**AN-B019**

Patent No.: ZL2011 3 000 6604.4

### Description of Products

Electromagnetic wave+Anion + Ultrasonic+Night light, give you a healthy and comfortable environment. Adopting the most advanced pest control technology, not only repel various of pests, but also can make it as an air purifier, it will control roaches, ants, spiders, mice, rats, crickets silverfish, earwigs, scorpions, fleas, ticks, bats etc. Multifunction Pest Repeller has four work patterns for your chosen according to different using environment  
 Mode one with red LED: Intelligent electromagnetic equipment, release ultra low frequency electromagnetic wave, drive various of pests away.  
 Mode two with yellow LED: Anion release equipment: disinfection, purified air.  
 Mode three with the green LED: Triple super strong function ultrasonic emitter. will cover all your room.  
 Mode four with the three LED indicator lights: Electromagnetic waves+Anion +Ultrasonic.

## 360 Degree Pest Repeller

**AN-B110** Patent No.: ZL 201030536993.7

### Description of Products

The device is effective in mice, rats, roaches fleas, flies, crickets, silverfish, water bugs, moths, ants and most other common pests. Laboratory research has shown ultrasonic sound waves attack the auditory and nervous systems of most common pests causing them painful and discomfort. 140 decibels of sound pressure Pests will give up their source of food, water and shelter and move on. These high intensity sound waves are out of the range of hearing of humans and most household pets such as dogs, cats, fishes, birds, and farm animals.

Power supply: 105 to 120V AC, 60 cycles, 220 to 240V AC, 50 cycles  
Dimensions: 75.25(dia.)x122, Weight: 340g

Power consumption: about 2W

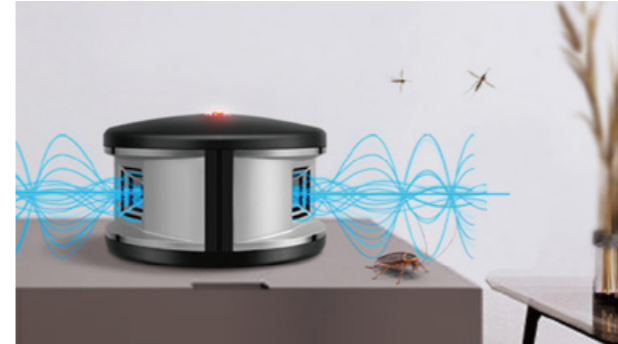

Frequency range: 20KHz to 45KHz(continuously variable)

Output sound pressure: 140dB/per speaker

Coverage: the effective coverage can be 2,500 to 3,000 sq meters.

### The Packing Details

Box Size	19.2x7.9x9.2CM	QTY	48 PCS
N.W.	13.5 KGS	G.W.	14.5 KGS

## Speaker Ultrasonic Pest Repeller

**AN-A339**

### Description of Products

1. The unit has frequency conversion function which can control mice, rats, roaches fleas, flies, crickets, silver fish, water bugs, moths, ants, and most other common pests.
2. Ultrasonic waves attack the auditory and nervous systems of most common pests causing them painful and discomfort.
3. These high intensity sound waves are out of the range of hearing of humans and most household pets such as dogs, cats, fish and birds and other animals.
4. Power supply: 90-250 Volts AC, 50/60Hz suit for any country power and plug.

## Mini Ultrasonic Mosquito Repeller

**AN-A329** Patent No.: ZL 201030105920.2

### Description of Products

1. Plug unit into socket of 220V~240V AC wall outlet.
2. Keep in mind the frequency waves will not travel through walls or furniture. Make sure to plug the unit into an outlet clear of surrounding object.
3. Cute appearance like eye.
4. Range: 30 square meters.
5. Consumption:<0.1W
6. LED light long-time lighten.

### The Packing Details

Box Size	8.2x6.4X6.7CM	QTY	100 PCS
N.W.	5.9 KGS	G.W.	6.9 KGS
MEAS	34.5X34X36CM		

## Repeller Ultrasonic Mice

**AN-A317**

### Description of Products

1. The electronic mice repeller not only can drive rats/mouse away , but also have good function on repelling flies, mosquitoes... and can be widely used in home, warehouse, hotels, stores, offices, hospitals etc.
2. Once you plug the device to the wall outlet(110-240V), the LED indicator will light and the speakers will produce ultrasonic waves which are automatically sweeping between 40KH-60KHZ to repel mouse, mosquito, dust mite, cockroach and other similar common pests, it's harmless to home electrical appliances,human and pets.

### The Packing Details

Box Size	7.4x7.1x6.2CM	QTY	50 PCS
N.W.	3.5 KGS	G.W.	4 KGS
MEAS	37X33.5X17CM		

## Ultrasonic Pest Repeller With LED Night Light

**AN-A338**

### Description of Products

1. It works by ultrasonic waves to repel mouse, rats, spiders, fleas, ants...and other similar common pests.
2. Can be widely used in Home, warehouse, hotels, stores, office, etc.
3. plug into socket of 110V-240VAC wall outlet.
4. A green LED night light, with switch ON/OFF to save energy.

### The Packing Details

Box Size	14.5X9X8.2CM	QTY	24 PCS
N.W.	5 KGS	G.W.	5.6 KGS
MEAS	36X32X30.5CM		

## Dual Speaker Ultrasonic Pest Repeller

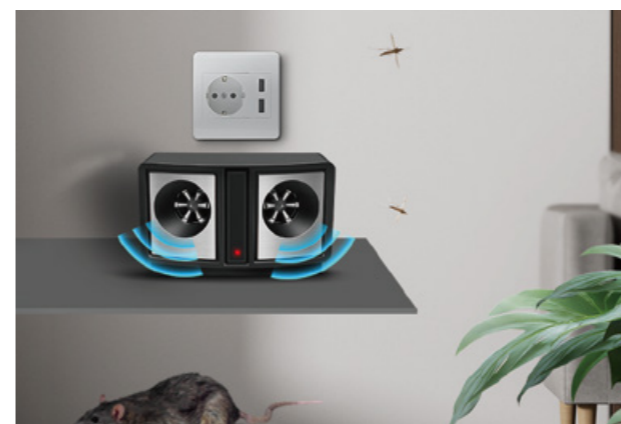

**AN-A319** Patent No.: ZL 201030249879.6

### Description of Products

1. Double speaker has a broader range of using.
2. Using ultrasonic to chase mice and other pests, it belongs to physical properties, no any chemical pollution.
3. This product uses the frequency conversion principle, so that mice and other insect won't produce "immunity" and "adaptability".
4. According different countries to choose different adapters.
5. Effective range: Effective up to 2000-2500 square feet.
6. Frequency Range: 30KHZ to 50KHZ

### The Packing Details

Box Size	19.2x7.9x9.2CM	QTY	48 PCS
N.W.	13.5 KGS	G.W.	14.5 KGS
MEAS	52X39X40.5CM		

## Electronic Spider Repeller

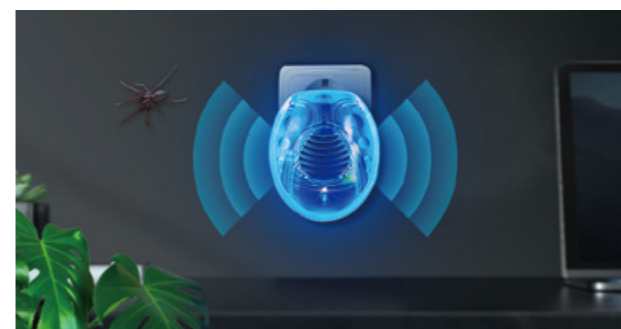

**AN-A325**

### Description of Products

1. Using ultrasonic principle to make pests uncomfortable then drive pests away.
2. Electromagnetic, enhance products driven effect, make its much more beautiful effect .
3. Working indicator and light sensation night light auto lighting when the dark.
4. This product not only can drive spider away, but also have good function of repelling cockroaches, mosquitoes, ants, fleas, bug, centipede.
5. This product is widely used in home, warehouses, hotels supermarkets, offices hospitals and other places.
6. Effective area can reach 200 square meter.

### The Packing Details

Box Size	7.5x8.5x9.5CM	QTY	60 PCS
N.W.	8 KGS	G.W.	9 KGS
MEAS	39.5x27x40CM

## Electromagnetic Cockroach Expeller

**AN-A322**

### Description of Products

1. This product adopts high-tech, can produce a very special low frequency electromagnetic waves, to repel cockroaches.
2. Plug unit into socket of 110V/220V AC wall outlet.
3. This product performance is stable and rapidly efficient. you can see the best effect after continuous use of 2-3 weeks (because the cockroach eggs change into adult needs about 3-4 weeks).
4. Effective area: 30 square meters.

### The Packing Details

Blister Card Size	15.7X17.7CM	QTY	48 PCS
N.W.	5 KGS	G.W.	6 KGS
MEAS	48X40X38.5CM		

## Ultrasonic Mouse Repeller

**AN-A320**

### Description of Products

1. This product uses the principle of ultrasonic wave to interfere mice, and can make frequency conversion. It is ultrasonic, non-toxic, non-taste, out of the hearing range of humans and most household pets, covers up to 500 sq.ft
2. Only effective with mouse, no harmful to home appliance, humans and pets.
3. This product is compact, convenient, low power consumption, etc.
4. The performance is stable and rapidly efficient, can be widely used in home, restaurant, supermarket, farm, warehouse, kindergarten, office building, etc which is unfavorable to use medicine to kill mouse.
5. Two frequency to choose from.

### The Packing Details

Blister Card Size	15.7X17.7CM	QTY	48 PCS
N.W.	5 KGS	G.W.	6 KGS
MEAS	48X40X38.5CM		

## Ultrasonic Housefly Repeller

**AN-A323**

### Description of Products

Ultrasonic housefly repeller adopts digital electronic techniques, by physical to repel the flies. This product emits special frequency ultrasound, in a certain spatial scale makes a ultrasound environment can stimulate the nervous system of flies and influence its behavior, make them discomfort and go away. This ultrasonic environment can reduce the activity of the flies so as to improve people's daily life. This product is widely used in home, offices, warehouses, hospitals, supermarkets, hotels and other places, the effective area can reach 60 square meters. If continuously use more than two weeks it will be more effective.

### The Packing Details

Blister Card Size	15.7X17.7CM	QTY	48 PCS
N.W.	5 KGS	G.W.	6 KGS
MEAS	48X40X38.5CM		

## Ultrasonic Mosquito Repeller

**AN-A321**

### Description of Products

1. The sound emitted by the product can only be heard by mosquito, it's no harmful to home electrical appliances, human and pets.
  2. The product is steady and effective. You will get evident effect once use it, and you will drive all the disgusting mosquito out after 5-7 days' continuous use.
  3. It has three buttons, can change the frequency then more effective with the pest.
- When the button is in the "dragonfly", it emits sound like dragonfly's wing repel mosquitoes.
- When the button is in the "Mosquito I", it emits sound like mosquito's wing in a frequency repelling female mosquitoes
- When the button is in the "Mosquito II", it emits sound like mosquito's wing in another frequency repelling female mosquitoes.

### The Packing Details

Blister Card Size	15.7X17.7CM	QTY	48 PCS
N.W.	5 KGS	G.W.	6 KGS

## Multifunction Pest Repeller with Night Light

**AN-A633**

### Description of Products

- 1.The device is working by Electromagnetic waves + Ultrasonic + Night light.
- 2.Non-toxic, Non-taste,out of the hearing range of humans and most household pets.

## Electromagnetic and Ultrasonic Pest Repeller

**AN-A630**

### Description of Products

- 1.The device is working by Electromagnetic waves + Ultrasonic.
- 2.Durable; Low energy costs; Non chemical; Safe for humans, pets,household electrical products and computers.

## Newest Multifunction Pest Repeller with Night Light

**AN-A833** US Patend No.: US D779026 S

### Description of Products

- 1.The device is working by Electromagnetic waves + Ultrasonic + Night light.
- 2.Non-toxic, Non-taste,out of the hearing range of humans and most household pets.

## Newest Multifunction Pest Repeller

**AN-B119** US Patend No.: US D779626 S

### Description of Products

1. Electromagnetic waves + Anion + Ultrasonic + Night light, give you a healthy and comfortable environment.
2. Adopting the most advanced pest control technology, not only repel various of pests, but also can make it as a air purifier, it will control roaches, ants, spiders, mice, rats, crickets, silverfish, earwigs, scorpions, fleas, ticks, bats etc.

## Solarinsect Killer Lamp

**AN-C888**

**AN-C888-1** (With Ground Spikes)

Patend No.: ZL 201330560557.7

### Description of Products

This Solar Powered insect Killer works by attracting the insects and mosquitoes with a UV LED light. This light draws them into the high voltage grid which kills them. Powered by rechargeable battery, which is charged by solar panel built in top of the device.

### Feathures

1. Powered by rechargeable battery, which is charged by solar panel built in top of the device.
2. The solar insect killer can be placed wherever it is needed, it comes with a stand to allow it to be placed down on a flat surface, also with a metal handle allow it to be hung up.Also, **two ground spikes to secure it in soil.**
3. Solar Insect Killer with two kind of LED lights: one white and one purple; purple UV light is to attract insect, white light is for illumination.
4. With DC socket.

### The Packing Details

Box Size	16x13.5x16.8CM	QTY	12 PCS
N.W.	5.1 KGS	G.W.	6.1 KGS
MEAS	42.5X33X36CM		

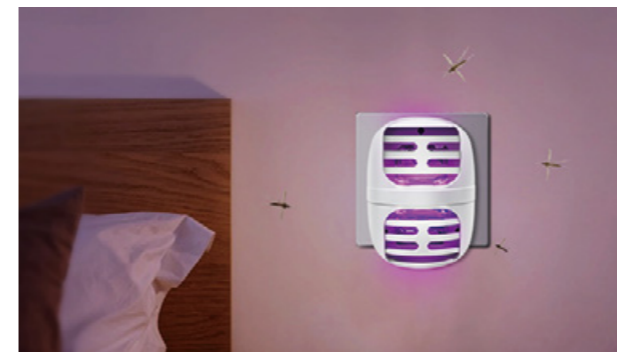

## Indoorinsect Kiler

**AN-C333**

### Description of Products

1. Plug unit into socket wall outlet.
2. The LED lamp gives out light and attract insect into an electrically sheetmetal.
3. High electric field, kill insect immediately.
4. Three kinds of plug(GS, UL, SAA) to choose.
5. Collecting and cleaning the insect bodies,open the cover,the power will auto-shut off,then safe to cleaning,and close the cover,the power will auto-power on.

### The Packing Details

Box Size	10.5x7.5x9.5CM	QTY	48 PCS
N.W.	5.6 KGS	G.W.	6.6 KGS
MEAS	43.5x29.5x31.5CM

## Ultrasonic Pest Repeller

**AN-A318**

### Description of Products

1. Not only can this product drive mouse away, but also have good function of repelling spiders, bees, rats and ants, can be widely used in home, warehouse, hotels, stores, offices, hospitals, etc.
2. Plug unit into socket of 110V/220V AC wall outlet.
3. Energy saving products, switch ON/OFF.
4. Power indication LED light.
5. Working for 60 square meter in every 4 to 6 seconds.

### The Packing Details

Box Size	9.9x7.1x5.5CM	QTY	12 PCS
N.W.	10 KGS	G.W.	11 KGS
MEAS	45X31X37CM		

## Ultrasonic Pest Repeller

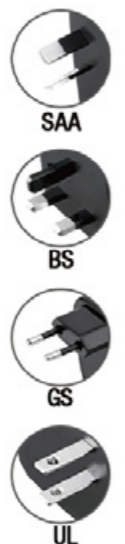

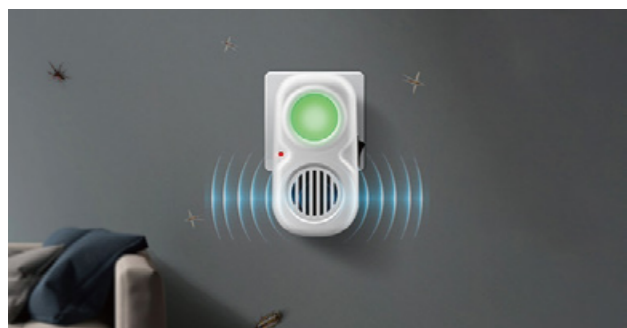

**AN-A835** Industrial Design: ZL 201730392549.5

### Description of Products

1. It worked by ultrasonic waves to repel mice, mosquitoes, dust mites, and other similar common pests, it's hurtless to home electrical appliances, humans, and pets.
2. Can be widely used in homes, warehouses, hotels, stores, offices, etc.
3. Plug into the socket of the 110V-240V AC wall outlet.
4. A LED night light, automatically work at night, automatically turned off in the day.
5. With sweeping frequency, make insects won't produce "immunity" and "adaptability".

### The Packing Details

Box Size	8x7.5x11CM	QTY	48 PCS
N.W.	4.8 KGS	G.W.	5.4 KGS
MEAS	34X32X35CM		

## Ultrasonic Pest Repeller With Night Light

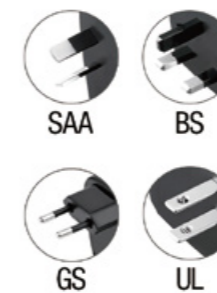

**AN-A836** Industrial Design: ZL 201730392557.9

### Description of Products

1. Ultrasonic Pest And Mice Repellent With Night Light not only can drive mouse away, but also have good function of repelling spiders, bees, rats and ants, can be widely used in home, warehouse, hotels, stores, offices, hospitals etc.
2. Plug unit into socket of 220V~230V or 100-110V AC wall outlet.
3. Energy saving products, switch ON/OFF to control the night light.
4. Ultrasonic mouse repeller, no harmful chemical, safe for your family and pets.

### The Packing Details

Box Size	8x8X11CM	QTY	48 PCS
N.W.	5.2 KGS	G.W.	6 KGS
MEAS	34X34X35CM		

## Dual Speaker Ultrasonic Pest Repeller With Night Light

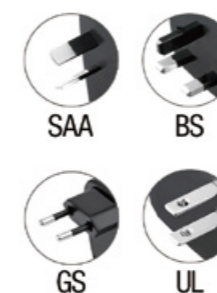

**AN-A837** Industrial Design: ZL 201730392556.4

### Description of Products

1. It worked by ultrasonic waves to repel mouse, mosquito, dust mite and other similar common pests, it's hurtless to home electrical appliances, human and pets. Switch on left: swwp ultrasonic waves(13.5-23.5Khz) Switch on right: fixed ultrasonic waves(40KHz, working 0.5S and 5s interval)
2. Can be widely used in Home, warehouse, hotels, stores, office, etc.
3. Plug into socket of 110V or 220V-240V AC wall outlet.
4. A green led night light.

### The Packing Details

Box Size	7.5x6.8x12.5CM	QTY	48 PCS
N.W.	5.4 KGS	G.W.	6.2 KGS
MEAS	32X29X38.5CM		

## Ultrasonic Pest Repeller With LED Night Light

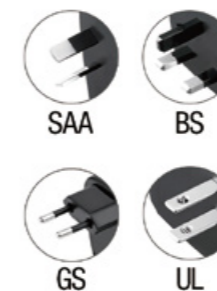

**AN-A838**

### Description of Products

1. The ultrasonic rat repellent contains two ultrasonic head to repel the pests; And ultrasonic have fixed frequency and variable frequency wave, customers can according different environment switch different mode.
2. The ultrasonic pest control with two night light provides a soft light to avoid the total darkness in areas near the unit.
3. The ultrasonic bed bug repeller is Non-toxic, Non-taste, out of the hearing range of humans and most household pets.

### The Packing Details

Box Size	12.7X7.9X7.3CM	QTY	48 PCS

## Double Entrance Auto Shut Electric Rat Trap

**AN-C100**

### Description of Products

The Electronic Mouse killer have two auto shut doors, when the mouse enters the device, the doors will close automatically. And there will be two options to deal with the mouse.

### The Packing Details

Box Size	28X15X10CM	QTY	6 PCS
N.W.	4.7 KGS	G.W.	5.7 KGS
MEAS	31.5X29.2X32.5CM		

## Electronic Mouse Trap

**AN-C444** Patend No.: ZL 201630007995.4

### Description of Products

1. 7000V high voltage, keep electronic shocking the mouse for five times.
2. Triple protection switch, ensure the safety when using.
3. Power supplied by 4 "AA" batteries or 6V DC adaptor.
4. Alarm + flashing+ Extension cord with a LED light flashing as a signal when the rodents are electrocuted.
5. Hygienic and safe, no-touch disposal.
6. The two parts design allows the trap to be cleaned safely and easily. When the two parts are separated, the circuit will OFF automatically.

### The Packing Details

Box Size	7.4x7.1x6.2CM	QTY	50 PCS
N.W.	3.5 KGS	G.W.	4 KGS
MEAS	37X33.5X17CM		

## Electronic Rodent Zapper

**AN-C555** Patend No.: ZL 201330108574.7

### Description of Products

1. Simulate the living environment of rodents, can be baited with any food to attract rodents, will generate a heart-stopping electric shock to INSTANTLY KILL the rodents as soon as trapped.
2. Flashing indicator light and alarm signals will be activated when have a catch.
3. Power supplied by 4 "D" cell batteries or 6V DC adaptor. with ON/OFF switch.
4. The two parts design allows the trap to be cleaned safely and easily. When the upper and lower part are separated, the circuit will OFF automatically.

### The Packing Details

Box Size	28.0X12.5X10.2CM	QTY	6 PCS
N.W.	5 KGS	G.W.	5.8 KGS
MEAS	40X28.8X22CM		

## Humane Safety High Voltage Electronic Rodent Killer

**AN-C111**

### Description of Products

1. Simulate the living environment of rats, can be baited with any food to attract rats.
2. Rats trap will generate a heart-stopping electric shock to INSTANTLY KILL the rats as soon as trapped.
3. Flashing indicator light and alarm signals will be activated when have a catch.
4. When the device is placed on some high places, such as the ceilings or high wall corners, the extension cord with a LED light can be used. and the LED light will flash quickly as a signal when the rats are electrocuted.
5. Power supplied by 4 "D" cell batteries or 6V DC adaptor. with ON/OFF switch.
6. The two parts design allows the trap to be cleaned safely and easily. When the upper and lower part are separated, the circuit will OFF automatically.

### The Packing Details

Box Size	25.9X11.4X12.2CM	QTY	6 PCS
N.W.	4 KGS	G.W.	4.6 KGS
MEAS	35.5X27.5X27.5CM		

## High Voltage Electronic Rodent Killer

**AN-C222**

### Description of Products

1. Generate electric shock the mouse five times, so kill the mice immediately (most the others just once, just make the mouse dizzy, and later may run away).
2. Put 4 X D batteries, working for a more long time.
3. Notification for Successful Kill, With "Bi Bi Bi" alarm, Blinking LED light, When this Electronic Rodent Zapper placed on some high places, such as ceilings or high wall corners, there included a LED luminous extension cord, when the mice have been electrocuted, the blue light will flashing.
4. When the top and bottom parts are separated, the circuit is completely OFF. And it will be power on after two parts assembled in right way.

## Electronic Flea Comb with Handle

**AN-A801**

International Patend No.: 003351337-0002

### Description of Products

1. It works by emitting a small electrical charge (safe to humans and pet) to kills lice safely, quietly and effectively on contact to keep your child's and pet's hair nit-free and healthy.
2. Easy-to-use, with a small brush inside, the comb can be cleaned thoroughly after each use.
3. ON/OFF button, press the button 2 seconds to turn on the device with two white LED lights on comb's both side, press the button 2 seconds to turn off the device and the LED light.
4. Power supplied by 2 AAA batteries.
5. Can be used as a normal comb to comb pet or Child's hair with putting on the case on comb.

### The Packing Details

Box Size	7.5x4.5x16.8CM	QTY	24 PCS
N.W.	2 KGS	G.W.	2.6 KGS
MEAS	35x19.5x25CM		

## MINI Electronic Flea Comb

**AN-A802**

International Patend No.: 003351337-0001

### Description of Products

1. It is shaped like a cat. It works by emitting a small electrical charge (safe to humans and pet) to kills lice safely, quietly and effectively on contact to keep your child's and pet's hair nit-free and healthy.
2. ON/OFF button, press the button 2 seconds to turn on the device with a white LED light on comb's side, press the button 2 seconds to turn off the device and the LED light.
3. Power supplied by 2 AAA batteries.
4. Can be used as a normal comb to comb pet or Child's hair by the other side of the device.

### The Packing Details

Box Size	7.2x8.8x3.3CM	QTY	48 PCS
N.W.	4.2 KGS	G.W.	5.2 KGS
MEAS	29x23x19.5CM		

## 360 Degree Pest Repeller

**AN-B008**

### Description of Products

1. The ultrasonic waves is irritating dogs, the high intensity sound waves are out of the hearing range of human beings, dogs 50 feet away can hear it, but it doesn't harm the dog.
2. Also can use the sonic to train a dog and improve its behavior.
3. Beautiful appearance , easy to use.
4. It also has LED light, can be used as a flashlight.
5. It is a good choice of your personal security.

### The Packing Details

Box Size	11x7x4CM	QTY	60 PCS
N.W.	4.5 KGS	G.W.	5.5 KGS
MEAS	35X21.5X30.5CM		

## Portable Mosquito Repeller

**AN-A326**

Patend No.: ZL 201030270009.7

### Description of Products

1. Portable mosquito repeller using low-frequency audible sonic waves that irritate and drive most mosquitoes away.
2. This unit is artistic and exquisite suitable for home,apartment,travel picnic, camping and so on,it covers the area around your body and repel the mosquito away.
3. Easy to use:turn on the power,mosquito flies away.
4. Effective range: around your body.
5. It is highly economical,convenient and environment friendly.
6. Save energy: operated by 1 x AA 1.5V battery.

### The Packing Details

Box Size	8.1x3.1x3.1CM	QTY	300 PCS
N.W.	6 KGS	G.W.	7 KGS
MEAS	53x18.5x33.5CM		

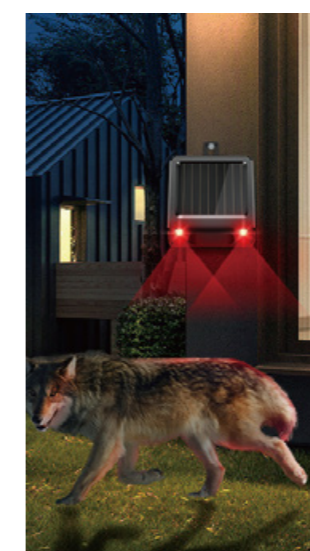

## Solar Wolves And Animal Repeller

**AN-A363**

### Description of Products

1. Using strong red flashing LED light to scare the animals like wolves, cat, dog, fox away.
2. Solar panel collect solar energy and charge the rechargeable batteries inside.
3. Automatically and only turn on at night(dark environment) and automatically turn off in day time(bright environment).
4. Not afraid of outdoor heavy rain.
